

## PROPHETIC WORD FOR 2015

# THE YEAR OF EXPERIENCING THE POWER OF THE PROMISES

We are going to be on a journey this year to discover and experience the power of THE Promises:

- ✦ The power of the promise of the Cross
- ✦ The power of the promise of the Holy Spirit
- ✦ The power of the promise of Love
- ✦ The power of the promise of Compassion
- ✦ The power of the promise of Prayer and the Word
- ✦ The power of the promise of Taking Action
- ✦ The power of the promise of Divine Revelation

There is a new place that is going to be found in Him. It is experiences with Him, experiences that you're not going to be able to figure out in the natural. There's going to be one-on-one time between you and God. There will have to be a time of fearless pursuit of Him inside of you, no matter what it takes. Fearless against the enemy, fearless against his lies, fearless against what he's been able to do in the past.

Once you find Him, you're going to carry the fearless-ness. When you face opposing things that present themselves to you, you're going to be fearless, because you'll be walking in the presence of Almighty God. You're going to know that presence because you've spent time with Him. You will know it because you've been with Him; you've been in that secret place with Him. You will come to know Him in such a way that when you leave your prayer closet, His Word will come alive to you. When you walk out of that room and you are confronted with what is happening in the world, you still are so fixed on His presence, so secure in His Word and aware of His promises, that they can't shake you.

Instead, you will be the one that will be doing the shaking. Because wherever you go, you are shaking people out of hiding. You are bringing people out of the darkness into His marvelous light, and you will find yourself clothed in His peace. Whenever storms blow in your direction, you'll only feel a little wind because you're so fixed on Him, nothing

else matters. When He is your entire world, He'll take care of your world.

God's way is always LOVE. When you seek Him, and you surrender to Him, you're going to find the power of His love and discover it's been beating on the inside of you ever since you accepted Him. The power of love will always defeat the enemy. The power of love is what enabled the Godhead to make the investment that they made inside of you. The Godhead made a huge investment. And the return on that investment isn't just for man to be saved from hell. It includes it, but the investment they made was so you could demonstrate the power of the resurrection. You are going to!

The price that was paid on the cross secured that **lost souls would experience the power of the release of that victory won.**

Every area that people need to be restored, every area that they need to be rescued in, every area they need to be made whole in, was won by Jesus. It's won by Him.

Satan has already been defeated. This is going to be a year where we're going to realize something that is old and yet new. It is the realization of the power of "One". This is the way it's going to work. People in the spirit and people in love with Jesus are going to quit looking for grandiose things. They're going to quit believing, "If it's not huge, then it wasn't God." They're going to look for the one thing, the one person, the one they can reach that God is going to connect them with.

The Lord says He's going to salvage the past. Many lost the opportunity of one because they didn't think one was good enough. They thought it was a loss. If you only won one person to the Lord last year, do you think that God counts that as a loss or a win? We're going to rediscover the power of winning one, of looking for one, of the joy of

having one. One to find, one to connect with, one to love on, one to invest in. One to prove what He's like to. One to train, one to be an example to. The power of one is really the power of multiplication. He's taking us back to the reality of what One already won.

Jesus was one, but He was the first seed of many brethren. Out of that one, many are coming. And out of the one that you're going to connect with and out of the one that you're having a divine connection with is going to come the multiplication. It's going to be the most wonderful thing because you're going to know you saved somebody's life by being what God wanted you to be.

If everyone in this place tonight won one, if you loved one, if you helped one, if you disciple one, if you are determined to stay with one... If you help one by the end of 2015, those ones will go find other ones and they will multiply into many ones. And there will not be enough room to fill them.

There will be excitement because when you were lost and now you're found, there's joy in that. When you see somebody who was broken and they become whole, there's joy in that. When you lay hands on somebody and they're healed, there's joy in that. When you teach them the principles of God and you start seeing faith arise inside of their eyes, there's joy in that. When you see them going from being broken to being on top, there is joy in that. That's how the joy is being released in 2015.

There will be joy in the journey—the journey of going after the one with the promises of God—and He's watching over His promises to perform them.

You cannot back away. There will be no more backing away from stepping out because of what you think you haven't achieved. Instead, you're going to find: the hungry one, the hurting one, the lost one. Because He's already planned for them to cross your path; your eyes are going to be fixed on looking for them. You can't ignore it anymore, there are too many. There are too many. God will have His way. He's raising up an army of people who have eyes to watch for the one, and reach for the one, and help the one, and when they do, there's an explosion of gratefulness in the hearts of those that were found. There's an explosion of joy for the

ones who were giving out. Joy is returning because you are obeying the principles of the Word.

You are going to hear words coming from your mouth that won't be your words. They will be His. You'll be so surprised at how smart you are. All the seeds of the Word that you've planted and you've heard, they're going to come alive inside of you because your determination in 2015 is to speak them. Speak them out; they're not words to just be eaten, they're words to be given. It's truth to be planted.

You are going to release truth and release love. As you do, because of your obedience, your life is going to be revitalized. Your life is going to be released in a new amount of power. It's so simple and yet it's so profound. It's so amazing because it was lost in man's idea of what success looked like. Success in the natural has to have multitudes, but in God's realm and His principles, success is obedience. Success to God is caring. Success to Him is loving.

The gospel itself contains renewing power. That power is still alive. That gospel gave you life, and it will give them life and restore to you a life worth living.

**You will have to lay aside your doubts and your fears, and put your trust back in God, even when it appears in the natural that nothing is changing.** Here's what is happening—you're realigning to your post. God's people have walked away from their post. They've walked away. They've gotten discouraged. It's the dampening of the enemy's lies. He has tampered with you. He has tampered with your faith. He has invaded you with doubt. He has cast darkness upon the light, and you fell into agreement with Him. And in that agreement He has taken advantage of you and he has stolen from you.

But there is a light shining that has always been there. It is shining brighter and brighter, because this is a new day, this is a new time. This is a resurrection time. This is a time when all of the sudden, there will be prophet after prophet saying the same thing, and preacher after preacher preaching the same sermons, and the body of Christ will be giving their testimonies of what the Spirit of God has led them to do. There is a renewal of understanding the pursuit of the cross because there's a renewal of honor for it.

The price that Jesus paid is going to be blasted everywhere. The price that Jesus paid is going to be realized. It will be different than it has been in the past because He's bringing a revelation of what exactly He did. It wasn't just salvation, it was to provide for everything that pertains to your life. It's going to become real to you as you sit at His feet. It will become real to you as you look through all of the debris on every side of your life, and you keep your eyes fixed on the cross.

The cross is going to shine brighter. You will see and know the price that was paid on that cross. Jesus took humility. He took shame so you wouldn't have to walk in shame. You can experience the freedom of what He bought. There will be no more shame when you know what He has done for you. There will be no more pain for He bought your healing, and not only for you, but for those in your path, those on the side of the road, those in the shopping center, those in your workplace.

You're going to say the power of the cross is still powerful. He's watching over that part, He knows what He needs to shine upon their life, and that which stands in the place of Him and releases the truth of the cross of the gospel of Jesus Christ. New assignments are going to come to you because of new realignments. You're realigning your heart, you're realigning your focus.

The focus of the church has to be a nucleus. The church is going to come together in its understanding of what we need to be looking at, and what we need to be doing. God is saying as we realign our sights, and get focused on what is important, all the other things are going to become unimportant to us. The church of the living God will not care of the things that are not eternally essential. The eternal things will be the focus; they will bring life, they will even bring life back to you. You will have to listen to what the Spirit is saying, which means you will have to know Him in a different way.

**The power of the promise of the Spirit.** He is our guaranteed inheritance—the Spirit of God, living and breathing and working through you. In a real way, in real time. Not some far-off, distant hope that someday God will use you to lay hands on somebody and they'll actually recover. In real time, in a real way, the real Holy Spirit will

release a real anointing that will destroy the works of the enemy right in front of you. And you will wonder how it happened. You'll know because the reality of who He is has become real to you as you sat and read His Word, and you believed Him again, and life came back inside of you as He breathed on His promises.

They took root on the inside of you and you decided to live again. **You will connect with the promises, you'll connect again with them, and you'll have an illumination of what comes from the Spirit.** It will release to you that what you're really capable of, you are capable of. Individuals and people that are in a corporate body of Christ are going to come together and see what God can do.

You have a part to play. That part is co-laboring with the Holy Spirit, focusing your eyes on the prize, being surrendered to His love. Your part is to see the Word again as real and true and perfect and let it come alive in your heart so that it is more real to you than your circumstances or any lies of the enemy, because it truly is.

Satan is afraid of this Word coming forth. He's afraid of this season, he's afraid of the church really becoming the church. He's frantic. Satan is frantic. That is why he's so fierce and trying to intimidate everyone. He is a frantic, ridiculous, defeated foe. And he is going to be put to shame openly. Not just by Jesus, but by those who represent Him.

**Power is hidden within the confines of unconditional love.** There's power in that. Sickness and disease cannot stand in the power of pure love. Broken hearts are mended in the presence of unconditional love.

Unconditional love wins, it wins every time. It always, always, always wins. That's why it's so hard to have it. We love when we receive love, but it's hard to give love and keep giving love when it doesn't seem to be received. But power is hidden in unconditional love. The power of His presence, the power of victory, the power of overcoming, it's all hidden within unconditional love.

Cities and nations are changing, but here's how. We are looking for the great awakening, the revival, the whatever you want to call it. Here is what is going to happen, when God's love is sought out, when it is the main thing you are

after, when love is the answer for you, then love will come out of you and be the answer for others. That is when God's will will be seen and known, and cities will change and nations will change.

The pattern is the same, and the principle is the same. It's passionate people who don't give up who spend the time that is needed. No matter what the price is, they focus on the promises of God and believe that they are true and take them into themselves until it becomes a fiber inside of them. They are so knit in their DNA, the reality of what God has promised has become a part of their very being. Satan and all of his exploits can't take it away from you. You know that if you lay hands on the sick, they have to recover because the Word says so.

The Word is alive and it is living in you, and the power of the Holy Ghost is present, and God is in the mix who makes the impossible possible. You awaken to truth until that truth is what you live and breathe and say, and see and be. And then you look like what He always intended for you to look like.

You will have love that pours and love that gives and love that doesn't count on itself. You will have love that is unselfish, love that is kind, love that cannot stop giving because you are compelled. It is because you have received the greatest love that was ever given.

My people are so one. They are so one. Nothing can shake them out of it. Nothing, no one, no circumstance. They are saturated in the reality of what I really did and what I really promised.

It will be a time where the church is evaluating their weaknesses. But they're evaluating it because they are intending to overcome it and they shall. They will overcome their weaknesses if they look at them with the intention of confronting their weakness and getting rid of it.

When Jesus wrote to the seven churches, He didn't write to them to take away their hope, He wrote to tell them what was wrong so they could change it. And He's writing again—on big billboards that come from His Word, and come from your heart. He's letting you know where your weaknesses are.

But I have good news, I am your strength, I am your answer. I am the one who will reformat you; I am the one who is going to win this for you. When you come to Me, I am going to do it with you and for you. I am going to accomplish it.

Prayers are eternal; all the prayers you have prayed are eternal. However, the activation of them continues as you reconnect in times of prayer. You reconnect with the truth of what has been said and what has been released.

You need to come into agreement with God again. It is necessary to show the defeat of the enemy. Agreement with God. Defeat of the enemy. Easy! It's easy. It is not that complicated, but it is necessary.

Prepare yourself, prepare your heart, prepare your mind. Spiritually align with the Word of God. Go back to the Word. Go back and this is what you'll find. You will find His promises, and when you find His promises, you will have to receive the promises. The first thing is to receive them.

God says, "Receive My promise. Remember My promise. Agree with My promise. Pray My promises. Obey My promises. Experience My promises. And then share My promises. Because I am watching over My promises. I am watching over them and I am going to perform them. I am going to do it with you, I am going to include you. I am going to include you. I am giving you back your life. I am giving you back your life in Me.

**Each promise carries its own power. But each person has to believe each promise to experience the power.**

**2 Peter 1:2-8 TLB**

*2 Do you want more and more of God's kindness and peace? Then learn to know him better and better. 3 For as you know him better, he will give you, through his great power, everything you need for living a truly good life: he even shares his own glory and his own goodness with us! 4 And by that same mighty power he has given us all the other rich and wonderful blessings he promised; for instance, the promise to save us from the lust and rottenness all around us, and to give us his own character.*

*5 But to obtain these gifts, you need more than faith; you must also work hard to be good, and even that is not enough. For then you must learn to know God better and discover what he wants you to do. 6 Next, learn to put aside your own desires so that you will become patient and godly, gladly letting God have his way with you. 7 This will make possible the next step, which is for you to enjoy other people and to like them, and finally you will grow to love them deeply. 8 The more you go on in this way, the more you will grow strong spiritually and become fruitful and useful to our Lord Jesus Christ.*

**Isaiah 55:10-12 NKJV**

*10 "For as the rain comes down, and the snow from heaven, And do not return there, but water the earth, And make it bring forth and bud, that it may give seed to the sower and bread to the eater,*

*11 So shall My word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it. 12 "For you shall go out with joy, and be led out with peace;*

**John 15:16-17 NKJV**

*16 You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain, that whatever you ask the Father in My name He may give you.*

**Psalm 91:1 TLB**

*He who dwells in the secret place of the Most High Shall abide under the shadow of the Almighty.*

**Psalm 91:1 NKJV**

*We live within the shadow of the Almighty, sheltered by the God who is above all gods*

**Psalm 91:1-16 TLB**

*2 This I declare, that he alone is my refuge, my place of safety; he is my God, and I am trusting him. 3 For he rescues you from every trap and protects you from the fatal plague. 4 He will shield you with his wings! They will shelter you. His faithful promises are your armor. 5 Now you don't need to be afraid of the dark any more, nor fear the dangers of the day; 6 nor dread the plagues of darkness, nor disasters in the morning.*

*7 Though a thousand fall at my side, though ten thousand are dying around me, the evil will not touch me. 8 I will see how the wicked are punished, but I will not share it. 9 For Jehovah is my refuge! I choose the God above all gods to shelter me. 10 How then can evil overtake me or any plague come near? 11 For he orders his angels to protect you wherever you go. 12 They will steady you with their hands to keep you from stumbling against the rocks on the trail. 13 You can safely meet a lion or step on poisonous snakes, yes, even trample them beneath your feet! 14 For the Lord says, "Because he loves me, I will rescue him; I will make him great because he trusts in my name. 15 When he calls on me, I will answer; I will be with him in trouble and rescue him and honor him. 16 I will satisfy him with a full life and give him my salvation.*

**Matthew 11:28-29 NIV**

*Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls.*

**Philippians 4:19 NLT**

*And this same God who takes care of me will supply all your needs from his glorious riches, which have been given to us in Christ Jesus.*

**Romans 8:37-39 NLT**

*No, despite all these things, overwhelming victory is ours through Christ, who loved us. And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. No power in the sky above or in the earth below—indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord.*

**John 14:27 NLT**

*I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid.*

**2 Corinthians 2:14-16 NKJV**

*14 Now thanks be to God who always leads us in triumph in Christ, and through us diffuses the fragrance of His knowledge in every place. 15 For we are to God the fragrance of Christ among those who are being saved and among those who are perishing. 16 To the one we are the aroma of death leading to death, and to the other the aroma of life leading to life. And who is sufficient for these things?*

**Proverbs 4:20-22 NKJV**

*20 My son, give attention to my words; Incline your ear to my sayings. 21 Do not let them depart from your eyes; Keep them in the midst of your heart; 22 For they are life to those who find them, And health to all their flesh.*

**Jeremiah 1:13 NKJV**

*12 Then the LORD said to me, "You have seen well, for I am ready to perform My word."*

**John 16:23-24 NKJV**

*23 "And in that day you will ask Me nothing. Most assuredly, I say to you, whatever you ask the Father in My name He will give you. 24 Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.*

**Matthew 21:22 NKJV**

*22 And whatever things you ask in prayer, believing, you will receive.*

**Jeremiah 33:2-3 NKJV**

*2 Thus says the LORD who made it, the LORD who formed it to establish it (the LORD is His name): 3 'Call to Me, and I will answer you, and show you great and mighty things, which you do not know.'*

**1 John 4:4-5 NKJV**

*4 You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world.*

**Romans 1:16 NASB**

*16 For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek.*
