

2021 Prophecy (Part 1 - FIRE)

Reverence - it is time to REV UP with Reverence!

Glory is coming, glory is coming, the glory is coming, the glory is coming, My glory is coming, My glory is coming!

I've been preparing for this time. I've been waiting. I've been watching. I've been listening. I've been looking. I've been searching. I'm looking at those who will come before Me with hungry hearts. Hungry hearts to worship reverently before Me. I am a consuming fire. I am a consuming fire. The fire is being released to those who will come properly before Me to worship reverently before Me.

When you come into the inner court and press through the veil ... when you approach Me, and you approach Me in reverence and in honor, you touch My heart. And you begin to change. You begin to experience the fire that burns up all the dross of your life.

Because nothing matters in the natural when you enter into the spiritual realm. You see the fruitlessness of it, you see the futility of it, and you no longer care. You only care about Me. You only care about Me holding you. You only care about My works. You only care about My empowerment.

My focus has shifted. My focus is on the Church, to raise you up. And the Church must focus on Me—the Father, the Great I Am, the Beginning and the End, the One who created all things.

For when you come to Me, you'll see. You'll see things you've never seen before. I will refocus those who are devoted to Me and pour into them, the ones who have fellowship with Me. The ones who are willing to come to a different level. You are who I'm looking for. You are the remnant that I will start the fire in.

But first it must consume you. It must consume your thoughts. It must consume all that is not of Me. All those things you thought were Me, and said were Me—re-examine them at My feet. Ask Me. I'll lead you, I'll guide you, and I'll consume the things that need to be consumed. And I'll produce the things that need to be produced.

Those who come in awe and reverence before Me will be those that I will partner with. Together we'll bring in the new. I need to be your first priority. I've come to enable you. I've come to empower you. I've come to allow you to arise to a level of spiritual functioning you have never known before.

I am going to move with and through those who will treat Me with the honor that is due Me, those who will make Me the first priority of their lives.

⁵ And have you forgotten his encouraging words spoken to you as his children? He said, “My child, don’t underestimate the value of the discipline and training of the Lord God, or get depressed when he has to correct you. **Hebrews 12:5 TPT**

It is for determined lovers. It is for My determined lovers. The ones that won’t stop praying. The ones that won’t stop pressing. The ones that won’t be satisfied in the outer courts. Those who won’t try to be away from Me. Those who will surrender everything to Me and not care what that means. You have to not care what that means. Don’t have any preconceived notions of what I am like.

Do not enter into My throne room and expect to see a physical body sitting on a seat. Oh I am so much higher than your thoughts. I am so much greater than you can imagine.

For those who will press in, for those who are willing to be consumed by My fire, who will crawl up on the altar on purpose and let My fire burn off all of the dross, I will reveal Myself. Not all of Myself, because you could not handle it. I am so big and I am so great and I am so awesome, but I am so holy. I am so holy. The angels can’t stop crying “Holy! Holy! Holy!” before My throne. Night and day they cry. Who can understand My holiness? Who can understand Me? Only those who reverence Me, only those who approach Me with a heart of humility and honor. Only those who dare to cry out to be near Me. Only those who are willing to be touched by My fire.

I have plans. I have plans to embrace you, but be ready for My embrace. Be ready. I am changing you. I am changing you into sons and daughters. I have a holy embrace that requires holiness to be able to receive it. Oh but when you do, you will

arise out of that place. You will become who I’ve always seen you to be.

You will have ascended by prayer into a new place of seeing what is needed to bring My heart and presence to everyday life to impact others.

I will embrace them and heal them, then release them in their wholeness with the ability to carry out My will.

For hasn’t he promised you, “I will never leave you alone, never! And I will not loosen my grip on your life!” **Hebrews 13:5b TPT**

Understand that My presence is magnified in your reverence of Me, with a heart that longs for the things that are holy and pure, that will be on display for the world to see. As you reverence Me, you will have a heart that will display My love for the world that will bring forth My salvation as I have saved you, as I have rescued you, as I have embraced you, as I have changed you.

When you leave that place with Me and you enter the realm of the world, you will walk on the streets, but you will walk differently. You will walk with a display of My glory because you have been in the very presence and glory of the Holy One.

The signs, wonders and miracles will be indicative of whom you have been with. Don’t look for signs and wonders and miracles, they will look for you after you have been with Me. Then others will easily follow you. They will easily follow you because they’ve been waiting for the power to show up. They’ve been waiting for the “different”. They’ve been waiting for those that have been embraced with fire that would bring the fire that they need to be set free. So many broken. So many that haven’t even heard, they haven’t even heard. They’re looking for something that isn’t just vocal, not just voices that mean nothing, but someone who is actually engaged with Me. Someone who has actually been poured into by Me so they can freely pour it out.

You will be a people that will not rise to fulfill your own desires and dreams, but will rise because your heart is set on pleasing ONLY Me.

“Sometime Christianity” will not work anymore. There is a setting apart. There is a different anointing reserved for those who are called by My Name, who have come, and are willing to let go of the things they’ve always held onto, even their security blankets of the earth and its ways. Those who cannot will miss out on this outpouring. They will miss out.

I am a consuming fire. *An engaging God who wants to immerse you in My love and in My intentions. I am arresting you, to grip hold of you in a way that you know you have been held in My very hand.*

²⁶ The earth was rocked at the sound of his voice from the mountain, but now he has promised, “Once and for all I will not only shake the systems of the world, but also the unseen powers in the heavenly realm!”

²⁷ Now this phrase “once and for all” clearly indicates the final removal of things that are shaking, that is, the old order, so only what is unshakeable will remain. ²⁸ Since we are receiving our rights to an unshakeable kingdom we should be extremely thankful and offer God the purest worship that delights his heart as we lay down our lives in absolute surrender, filled with awe. ²⁹ For our God is a holy, devouring fire! **Hebrews 12:26-29 TPT**

I will provide many manifestations to get your attention. But you must TURN to Me, instead of away from Me, to see what I am doing.

In the midst of this, I am inviting you to come. And it won’t be comfortable to those who only want comfort. But it will be harvest time to those who press in with a hungry, honoring heart. And those who only want comfort will lose out on the intensity that I would provide for them if they

called upon My Name. You now must live in that intensity with Me – the place of seeking Me where you finally find Me. The intensity of knowing Me like you never have before will release you into doing what you’ve never done before.

As we enter the year with fasting and prayer, this is your opportunity to seize the day—every day—to crucify what needs to die, and embrace what you need to embrace.

I have not changed My mind about blessing you. But you have often stopped the blessing while it was on its way to you many times, because you stopped reverencing Me. I desire your devotion. Am I not worthy of all of your affection?

Many call Me common. They take My name in vain. Many hold onto the things that I despise. Where is the reverence in that? Many hold onto their past, and refuse to forgive. To those I say “Turn around. Turn around and be in awe again. Go back to your first love.”

Keep your awe and you will catch the fire needed to burn off the past. Catch the excitement with the future I have planned for you.

I am available for you to give you what you need, but what you need is to embrace Me in the fire.

I will take care of those things you’ve never been able to take care of on your own. I am God. The Most High God. With abilities that you do not have. Quit taking My place.

There is a holy anger against the unholy, and against compromise. I am not trying to scare you. I am trying to compel you. I am trying to compel you. Come! Come!

When you live a life of holiness, you are worshipping Me. But to live holy, meet Me in the fire of sacrifice, giving up your ways for Mine. You’ll live differently – I’ll enable it. It won’t be hard. In your own strength you fail, but in My strength you thrive.

My love for you is ready and waiting for you.

You will have to give yourself on the altar.

Leave behind the debris as you spend time with Me. And begin to share My thoughts and My heart and My ways with others while they are fresh and new from My very presence.

It is now the beginning of a new period of time. This is the beginning of a new era.

I am a God who must be revered by more than lip service. There must be a willingness to come during the times you cannot understand things in the natural. You must understand I am still in control. As you come you'll find that the fire helps you. It will be a time of coming behind the veil with Me to cast your cares on Me. You'll learn to cast your cares upon Me and you'll leave with joy. It will be necessary and will cause you to thrive as you live with an awareness of Me you haven't perceived or known completely before. You'll leave with the power you've been seeking and asking for.

There is no other way to receive it. There is no substitute. There is no substitute that the world has to offer, and there's no substitute for coming into the holy place with the Holy One. Reverencing Me means you reverence the sacrifice of My Son. And to reverence the sacrifice of My Son, you must also be willing to sacrifice your life and lay it down before Me. And let me resurrect it correctly.

And as you do, I will not only call your name, I will reveal who I AM to you to the very depth of your being.

It's a new day, there's a new momentum brought by Your agreement with My promises. You must speak ONLY the things I have said in My Word and agree with My heart—inwardly and outwardly.

Be bold and resolve to embrace, display, and share My love. That was, and is, your mandate as My body, My Church; you are My representatives.

I've been counting on you. For Me to be able to do that, you will have to approach Me differently than in the past.

Many have forgotten that I am not just your Father, I am your God. For all that I am, and all I have given to you through My Son, there is a need for coming to Me in reverence.

You can come boldly into My throne room for help. But I am revving up your reverence for Me. That is where grace and favor multiplies.

⁵In the same way, the younger ones should willingly support the leadership of the elders. In every relationship, each of you must wrap around yourself the apron of a humble servant. Because: God resists you when you are proud but multiplies grace and favor when you are humble. **1 Peter 5:5**
TPT

In every relationship you must be the humble servant. Even more so in your relationship with Me. It begins there. It starts there.

Do you know what humility looks like? Have you been willing to lay every bit of your pride at My feet? My Church will learn to be humble. My Church must learn how to serve.

This Holy Ghost fire is not to make you feel good, it is to make you good. I am coming right up into your business. Every aspect of you is going to be refined by My choices for you. That's why you have to give Me permission.

It is there, where you receive My presence surrounding you, that will keep you and cause you to progress to a higher status, a higher position, because there, you will be infused with the fire of My gaze.

When I see humility before Me, My eyes are positioned directly toward you.

In the isolation there has been a call to turn your gaze upon Me.

It was essential so that you could understand you are necessary and indispensable. That's why I made you.

I love you unconditionally. My love is towards you. My ways are towards you.

You are hardwired for greatness. Lead with a heart that follows My lead. And then the glory will come. And then the glory will come. And then the glory will come.

The very thing the enemy is afraid of will come to pass, and is now coming to pass, as My Church gets immersed in love that he cannot fight against or defeat.

When you embrace Me, you will not have to struggle anymore in your decision to follow Me.

I will be more real to you than anything in this world, because there is a cause that will be made evident by My Spirit. I am awakening you to the spirit realm.

Fire must first come to you and you will have to climb upon the altar and offer to Me your all, with pure dedication to Me. That is where the power comes.

1 Beloved friends, what should be our proper response to God's marvelous Mercies? I encourage you to surrender yourselves to God to be his sacred, living sacrifices. And live in holiness, experiencing all that delights his heart. For this becomes your genuine expression of worship.

2 Stop imitating the ideals and opinions of the culture around you, but be inwardly transformed by the Holy Spirit through a total reformation of how you think. This will empower you to discern God's will as you live a beautiful life, satisfying and perfect in his eyes. **Romans 12:2 TPT**

Choose to live a set-apart journey with Me, and a set-apart journey with others who share passion for Me and for My will. Be willing to give what is needed to impact others' lives to come into My Kingdom and live in My kingly ways.

REVITALIZE

I am revitalizing My Church. I am revitalizing My Church.

All that I have deposited in you will come alive like never before. I will revitalize the things that have been stolen from you. I will revitalize the gifts I have given to you.

They were handpicked by Me and will bring you great joy as you utilize them for My glory. It must be for My glory.

Oneness in the Spirit is available and necessary because only the Holy Spirit knows how to capture your emotions. He knows how to bring you to the place of worship that puts your heart in correct Kingdom order.

It is time for the Church, My Body, to be effective and active.

I am willing to recalibrate you (to adjust precisely for a particular function; to rectify). Because the Church, My Bride, My people are so important and valuable to Me.

There is a cry to you from My heart to come up higher so you can become a part of this new era. What are you doing that takes you away from concentrating on Me?

What are you doing? Are you listening to the chatter? Are you distracted by your own agenda? Be determined to be with Me and push through the chatter. Push through the distractions.

Are you distracted by the enemy's plots and plans? You don't need to be. I have already defeated him. The more you come to be with Me the more you see him for the little worm that he is. You will no longer operate in fear because you'll know those that are with you are much greater and more than

those that are against you. You have to live from that position of authority and understanding.

Allow My refinement, My revision, and it will cause you to understand that through your willingness you will change your position. Come to Me. Come see and realize what you are doing that causes you not to obey My instructions.

What is so important in your life that you won't obey My instructions?

Many have left their first love as they fell into the enemy's trap of refocusing your attention from Me to his agenda.

The media has captivated My children's attention to a dimension that it has consumed more of their thoughts than their thoughts of Me and My capabilities.

You'll have to learn to turn it off. Don't engage with the worldly system. It will only make you worldly. Engage in Kingdom. That's My system. My system fixes things, arranges things, puts things into divine order, not only for you, but for the world. Not only for you, but for your family. Not only for you, but for your finances. Not only for you, but for your relationships.

You think so small regarding My Kingdom when it is so large. Open your eyes with Me. Open your eyes to see with Me. The things that you are bothered by now are so miniscule. See the big picture with a big God with a very big agenda.

There is no change to bring that will impact the world as much as the impact that happens through My worshippers who stay focused on worshipping Me in spirit and in truth.

This is the time Holy Spirit is coming near to begin to direct you more precisely in every area so you will be the force against the enemy to defeat his plans.

It is the time when Holy Spirit must have your full attention. He will not force you to change. However, you need to earnestly desire His help. He

is making you aware of what needs to be stripped away, as well as what needs to be filled up again.

You don't want to miss this time. You don't want to miss this season. You don't want to miss being a part of what I am bringing of the greatness of Me. My Name will be at the top of this move. No man will be able to share in it. It won't come as anyone tries to orchestrate it. If you think you can make the spiritual things happen by the natural you are very wrong. Spiritual things happen only when you stay in the spirit and you walk in the spirit and you talk in the spirit and you live in the spirit.

Oh ... that praying in tongues gift is not a joke. That is exactly how you build yourself up in your most holy faith. And you will need your holy faith. You must pray in the spirit. I told you to pray in the spirit always. Always. Always. Always. Because I knew all of things you would be facing, and I knew you couldn't do it alone.

When My Spirit is in operation, you will walk through the fire and you will not be burned. It will not be able to affect you. It will not be able to take you out. It will not be able to take you down. It will not be able to diminish you. Where you need to be diminished is at My feet. And when you stand, you stand in order, with your crown on right, clothed in robes of righteousness. And then you ascend and you walk as those upon the earth that have spiritual understanding, that understand the spiritual times, that know what to do because they have the inside information that they have heard from Me.

During this period of time, these moments you have with Me, by the Spirit's awakening, you will be Revitalized with new life and you will be renewed. Some will even be resuscitated!

I am bringing a renewed attention to the Church, the set apart ones.

Instead of being angry at Me for what you perceive I am NOT doing, look to Me to see what I AM doing, and let Me have the final say in everything, and in every way.

In this new era, I am seeking those hearts that are pliable, that desire My ways above their own.

My prophetic focus is to call you near, not just to predict the future. The Bible tells the future of what is coming—your focus must be on Me through all that is coming.

The remnant that bows before Me will arise with a restoration of power and even an increase of power you have not yet experienced.

I had to REV UP people in the past to bring a new era, and I am here to REV you up into an awareness of My presence that will shake you free. I'm going to shake you free. You prayed for a shaking. I'm shaking you. I'm shaking you. I'm shaking you. I'm trying to shake you free. Let Me shake you. You resist it. You resist My shaking because you think something or someone is wrong. You resist My shaking even as you accuse Me. That will get you nowhere.

You cannot restructure what is needed in this time in the natural. The change I keep speaking of is only able to change by the Spirit consuming you. Only by the Spirit consuming you will you be able to have the fullness of what I am offering.

The Holy Spirit is inside of you with the ability to display My heart with passion and fire. When you come and are affected by My fire, it will cause your heart to be full of gratefulness, and then you will begin to see what My Kingdom is made of.

It is made of determined people who can stay REVved up in Me in the good times and in the bad, because outside circumstances can't control you any longer.

There must be a living out of what My Word says, not just acquiescing (complying passively) to it. Do you understand that My Word IS ME? My Word is Me.

It was given to you to reveal My heart and My ways, and it instructs you how to become like Me. Obedience is necessary.

It is time to focus only on Me, and be willing to give up the things of the world that have gripped your heart and watered down the fire into just a smoldering ash. Where's your fire? Where's your fire?

Oh, but I am here to restore. I am here to revitalize the purity of your pursuit that is needed to get My heart.

I have called My Church to be My voice. You must echo ONLY heaven.

You must allow Holy Spirit to examine daily what you are focusing on, what you are saying, what you are doing.

It is time for you to identify again with Me.

I will separate those who are committed from those who are not. It will be a time where I will show you whether you're connected or whether you're not.

There has already been a great falling away of those who are making the decision they do not need to be connected to Me or connected to My Body, My remnant, My Bride, who have kept their lamps prepared for the fire to come.

I have the ability to help you fix your attention and come back to Me and be My Ekklesia, My Church. This is a time for you to be in active pursuit.

It has been so difficult to focus on the things I require, but part of the revitalization will happen because I will keep you aware of the bigger picture.

I am asking you to change the atmosphere with Me and speak aloud what you see when you're in the heavenlies. Because I'm calling you into the heavenly realm. People do not understand and you'll never understand this in the natural; you will never understand this in your flesh. You will only understand this when the Spirit draws you up higher. And I'm calling to you, come up higher. Come into the realm of the spirit that you haven't experienced before. Some of you have experienced

great things, and then you were satisfied. That was just a droplet of what I have for you, when there is an ocean of love for you to find. An ocean of wisdom for you to walk in. An ocean of anointing that you can present yourself with to the earth.

Oh come up higher! That is what John the Revelator did. He did not stay earth-bound. He sought Me. He came away with Me. And I gave him revelation that was needed, even to guide you now. And now I will give revelation to those who come up higher. And they will have wisdom for those who need to come.

Declare and decree My love for My people and the demise of spiritual antagonists.

Value My Word and understand the reality of why I told you to not forsake the coming together, even more so as the day approaches. You will understand more and thrive as one.

The day is approaching and I am bringing pleasant, enlightening surprises to you that will ignite you.

Progressive revelation is here because I am unveiling things that were held in My timing until now. Things that were previously secret or unknown I will share with you as you receive from Me in that place in the heavenly realm.

I am awakening those of you who will respond to Me and I will cause you to be aroused with enthusiasm to bring about your remarkable qualities that I have destined just for this time. There are divine, supernatural disclosures I will be entrusting to those who trust Me and who will correctly handle them. Then you will be able to bring them forward into the known, physical world.

But you will have to choose this day who you will serve. I will not cater to half-hearted worshippers or bend to their demands. No longer. Come up higher.

²⁵Make very sure that you never refuse to listen to God when he speaks! For the God who spoke on earth from Sinai is the same God who now speaks from heaven. Those who heard

him speak his living Word on earth found nowhere to hide, so what chance is there for us to escape if we turn our backs on God and refuse to hear his warnings as he speaks from heaven? **Hebrews 12:25 TPT**

If you come to Me with pride and arrogance, I will obstruct your course until your heart is properly prepared to receive Me.

When I see humble hearts, oh, I will REV UP angels to help you! I will REV UP My love to surround you. I will REV UP the sound of a roar that decrees a spiritual positioning that could never be reached otherwise, in record time. Because I have set My heart in forward motion for My Church. But My Church must set their heart in forward motion for more of Me. Get into a Kingdom mindset and refuse anything else.

²We look away from the natural realm and we fasten our gaze onto Jesus who birthed faith within us and who leads us forward into faith's perfection. His example is this: Because his heart was focused on the joy of knowing that you would be his, he endured the agony of the cross and conquered its humiliation, and now sits exalted at the right hand of the throne of God! **Hebrews 12:2 TPT**

The desire you have for Me cannot be sometimes, in some ways. No! You must REV UP your own heart with fire, and do not stop until you know you have reached the new levels I have been preparing.

You cried out with agreement that this was the time of shaking. And I am shaking My Body in every area where they don't truly trust Me. It is necessary for you, My Church, to understand. You can't hold on to the things that repel the precious Holy Spirit. He is sensitive.

The enemy is at work, and I am calling to My Church – let's get to work at going further in the spirit than ever before!

Let's go to work. Let's go to work. Let's go to work in the spirit. Let's bring that which I have positioned for this time frame. Let's do it together.

People are looking for the authentic people that will walk through the fire until nothing is left but the fiery army I am preparing.

The disappointment, the hardship, the lack of fellowship with others has taken a toll on most of My Body.

12 As for us, we have all of these great witnesses who encircle us like clouds. So we must let go of every wound that has pierced us and the sin we so easily fall into. Then we will be able to run life's marathon race with passion and determination, for the path has been already marked out before us. **Hebrews 12:1 TPT**

My new order is not chaos. It is not splitting people apart. I am interested in *relationships*.

17 Obey your spiritual leaders and recognize their authority, for they keep watch over your soul without resting since they will have to give an account to God for their work. So it will benefit you when you make their work a pleasure and not a heavy burden. **Hebrews 13:17 TPT**

And those I raise up will have the heart of discipleship as never before.

If you don't burn with love before Me, you can't burn with love for others. But My Church must come together again. Every generation has to come together again and cry out for Me.

If you will allow forgiveness in your heart, you will arise. It's a season of restoration for those who will let go of what needs to be released and hold on to the things that you're not to let go of.

¹No matter what, make room in your heart to love every believer.

Hebrews 13:1 TPT

As you learn to link arms with the Spirit within you, you will fall in love with My ways and then the restoration will happen. What the enemy has stolen will be restored. What you have lost, you will have more of. This is multiplication time.

My Son showed you the highest level of devotion to Me and to others. He was relational, and you need to be also. Be purposeful about relationships, making disciples. It begins with having My heart for relationships. Give your time to gather.

I want you to trust Me with what you haven't trusted Me with before.

It will take the stripping of what you are focusing on that is not of Me.

My Son came to bring fire on the earth, and He wants to set you on fire with a raging fire that cannot be denied.

And as you burn, you release self and the fire will resolve issues, and release anointing for you to have the spiritual ability and power that will actually fulfill your heart's desires.

But that which has been shaking is shaking, and you have the opportunity to let go and then to grab on and go higher. REV UP!

I am here to revive what is needed, and help you leave behind that which must die once and for all.

Radical passion is returning because what has happened on the earth through the onslaught of the enemy has affected your fierceness for Me.

Where's your fierceness? Where has it gone? Be known as radical lovers of Me and don't apologize for it. It's no problem to be radical for a God who reveals Himself to you. It's not a problem when you get filled up with the overflow of Me. You won't be able to stop thinking of Me. You won't be able to

stop praising Me. You'll be so aware of My goodness, and My greatness, and My mercy and My love, you won't be able to stop talking or stop walking in the narrow way because you don't want to let go of what you found. I am your greatest gift. And you are Mine. And you are Mine.

I am dealing with behaviors, because it is needed for your revitalization. You feel the pressing, but you don't understand why. Just recognize it is Me and what comes out shows you what is in your heart. Give Me permission to BE all you need, then I will become ALL that you model in this hour, My Church.

Display Me and then others will draw close to watch you burn with love and purity. And it will be catching.

My fire, My flames will release the embers that will catch you and then it will catch others by the spirit and they will be given the opportunity to blaze with you.

Speak what you believe about Me. Not what you feel about Me.

Declare what you are believing, take communion before Me as you sit with Me at My table to receive your healing and your health. And then when you arise you will not only be free, but you will arise to cause others to come to freedom.

Be intentional to make My government, the Kingdom of God, your priority.

Refinement will bring freedom from impurities. Refinement will bring a new accuracy, and progressive movement. If the activity or movement I have designed will be embraced by My people – you will be the ones that will bring fundamental changes that can affect the socioeconomic situation! Quit looking at the world's system.

Don't allow strife in your heart to cause division from Me, or divine relationships. Because divine relationships are divine. I have the wisdom to turn

your own economy around, as you respond to others. Divine appointments are divine.

I am calling My Church to be the ones to bring about a paradigm shift and become the example and the pattern to be an outstanding example of My heart and My design.

Don't lose the vision and purpose of your life.

My framework with My initial intention and design for mankind will begin to be obvious. It will begin to bring the effectiveness that those who love Me have been waiting and longing and praying for, at such a time as this.

Don't be in fear of the devil's tactics of intimidation, telling you that he is still in charge. He is not in charge when I AM in charge! And I am in charge!

If you join Me, you will also be charged with My charge. My glory will invade you and give you the ability to walk in spiritual authority.

My people have been designed to occupy. So take your place and take possession and control not just the atmosphere, but control yourself, your actions. Comply with the functions I have created you to perform. You are the owner, not just the tenant over situations.

Understand that as you reverence Me, you will absorb My ways as you are immersed in the ways of the Spirit.

Then you will be engaged with confidence and strength and the know-how.

It is time to take possession again and fill the space I have ordained for you. It is time for the influencers and the rulers to rise up in your assigned territories. Seize this time. Catch up! Be determined and resolved, and I will empower you to rise into your purpose single-mindedly.

There is a precision in the spirit that will bring the refinement that will affect the accuracy in My people. During this time, listening to Me will be the priority before taking action. Instead of tuning Me

out, tune Me in and then your time will be optimized.

Live like all things are possible. Your life in Me is set to go forward, it's set to be passionate and fierce again. REV UP! The fire is raging for you in heaven. The embers are falling to earth as they look for those who are willing to lose their life to save it.

Don't just be a church. Become My Church. Be filled with the Holy Spirit and walk in purpose, on purpose.

Win souls, disciple, teach, train and then you'll reign.

¹⁶ We will show mercy to the poor and not miss an opportunity to do acts of kindness for others, for these are the true sacrifices that delight God's heart. **Hebrews 13:16**
TPT

P.S. This is where we are now:

⁴ Jesus answered, "At that time deception will run rampant. So beware that you are not fooled! ⁵ For many will appear on the scene claiming my authority or saying about themselves, 'I am God's Anointed,' and they will lead many astray.

⁶ "You will hear of wars nearby and revolutions on every side, with more rumors of wars to come. Don't panic or give in to your fears, for the breaking apart of the world's systems is destined to happen. But it won't yet be the end; it will still be unfolding.

⁷ "Nations will go to war against each other and kingdom against kingdom. And there will be terrible earthquakes— seismic events of epic proportion, horrible epidemics and famines in place after place. ⁸ This is how the first contractions and birth pains *of the new age will begin!*"

⁹ "You can expect to be persecuted, even killed; for you will be hated by all the nations because of your love for me. ¹⁰ Then many will stop following me and fall away, and they will betray one another and hate one another. ¹¹ And many lying prophets will arise, deceiving multitudes and leading them away from the path of truth. ¹² There will be such an increase of sin and lawlessness that those whose hearts once burned with passion for God and others will grow cold. ¹³ But keep your hope to the end and you will experience life and deliverance.

¹⁴ "Yet through it all, this joyful assurance of the realm of heaven's kingdom will be proclaimed all over the world, providing every nation with a demonstration of the reality of God. And after this the end of this age will arrive." **Matthew 24:4-14 TPT**
