

2022 Prophecy - Pastor Dawn Rene' McCann

The Church and the Devil

This is a year of acceleration. Lay aside old thinking. This is the time for the new wine.

In this new era everything changes.

Move with Me differently - because something new is beginning right now.

If you embrace My prophetic picture, you will understand My holy habitation.

What is past, let it be - bring only the gold with you.

It has begun—the NEW—the refining will bring the refreshing and the revival.

Now is your opportunity to respond to My invitation and to refuse division, and be set on being those that will reconcile those in division.

Satan came with division. His army is charged with division. That is why I'm bringing back My unity.

He tried to come with separation, but I am sewing your hearts and your spirits back together. They will be an unbreakable tie.

He does not know what he has unleashed, because now My people will be greater and

more effective for My Kingdom work than they have ever been.

The enemy came with hatred. That's why you sowed love.

The division that has been obvious in the natural must be brought down by heart decisions that refuse to be a part of the enemy's army.

This year is a year of **ESCALATION**.

Satan's desire is that his attacks against the Church will be accelerated.

His desire is to bring about the crippling of America and the death of the Church. Make no mistake, you have an enemy.

However, I am asking for you to accelerate the life of the Church with Me to **ESCALATE** the needed retaliation against his plans.

Those that are weary must determine to arise.

I am with you. **GET UP AGAIN**, and do not rely on who is in government. **RELY** on Me as I lead you, My Church.

What a day of rejoicing it will be as the Spirit's fire is caught on the inside of My Bride and My Bride is able to operate at higher levels with knowledge of the Word and the weapons of their warfare.

Stay saturated. This is your assignment that will be challenging.

I am going to make My Church more active and effective than you can even imagine during this time when satan thinks he has the upper hand.

You must make a further, dedicated commitment to time in the Word, in worship, and in My presence, to bring forth the things I desire.

I am setting up a holy people, My Bride. I am extending grace for you to be purified of those things you have struggled with in the past.

Now is the time you must be set apart for My use.

It is exactly what you have been missing. Your joy will return because when you cooperate with Me, you are energized. You are fulfilled. You are empowered. You are going to be amazed at what you experience, and how much you will enjoy My saturation in every area—body, soul and spirit—that brings freedom and love from My compassion flowing through you.

If you do not do your part, it will not be My fault you do not see the results that you desire.

This is not a season for “sometime” Christianity.

This is, however, an exciting season for those who trust Me at My Word and desire My heart and My ways above all else. Then this will occur:

Ephesians 6:10 (DRM version)

Be supernaturally infused with strength through your life-union with Me! Stand victorious with the force of My explosive power flowing in and through you.

This is a new season of not only new beginnings, but new endings!

Those things you could not overcome before, you will see fall at your feet, as you fall at My feet!

Satan's reign of terror and torment over your life has come to the end of the line, as My Spirit draws you into Word realities.

My Word is alive and has been written so that you can take it up and win against the devil.

My Word defeated him. Use it to defeat him.

My Church has been lax with watching your words. Your words empower the enemy, or your words defeat the enemy.

There is nothing he can do when you are with Me, when you are walking with Me and becoming a component of My love. And speaking in unity with Me.

Love always wins. That's why I always win.

New compassion from time with Me will bring miracles and deliverance. **This is the Kingdom key for releasing the captives.**

“I can't breathe” will be replaced with, “I can't stop breathing in the very essence of God.”

I am **escalating** My Church's influence against the plots and schemes of the enemy. You are the voices that will bring about the needed change in many areas.

The world is a different place, but do not think it strange. See it as an opportunity.

When it was declared that it was the decade of the mouth, the enemy tried to mask you. But I never changed My position.

Your words can and will destroy the enemy's plans and schemes. They also will release My Kingdom to operate as I intend on this earth, this year.

It is time for the BODY to work together so that every part is utilized and appreciated.

I built the Body as I desired and you must work intertwined.

The independent spirit must be dealt with. The spirit of pride must be renounced, and a spirit of humility is to be embraced.

Forgiveness must flow in My Church. You will see the difference in individuals and corporately.

No agendas except mine will be tolerated. I am the Lord, loving and fierce.

I am fiercely against you aligning with satan's tactics in your life and making excuses for yourself.

This is a new season for freedom. Freedom from satan AND freedom from your past strongholds.

How can you bring freedom to others, when you deny yourself the freedom I have provided for you by hardening your heart?

Are your thoughts lined up with My thoughts?

Are your ways lined up with My ways?

I am not done when it looks like it's over.

I am just readying you. I will come and fight with you. I am readying Myself to pour My anointing oil on the Church, for you to arise, knowing who you are like never before.

ESCALATION

Now prepare yourself. Do not think that it is always going to be walking down a road that is easy. There will be challenges to face. I'm just telling you the truth. But there is no challenge you cannot overcome if your trust is in Me.

Along the way, determine to see every challenge you have as an opportunity to destroy the tactic of the enemy and lift up My name.

The end result will be victory, along with the strength and wisdom that is needed. This is how we fight our battles.

This year of **ESCALATION** has two sides.

My desire is that you operate at the highest level of spiritual understanding than you ever have before.

My desire is that you operate at the highest level of the gifts coming forth to bring remedy. Better and more than ever before.

UNITY and Prayer

As you come together to meet Me, unity, birthed by hunger for Me, will come. There the blessings will flow.

I have preplanned this time in history. Because of your prayers you have the ability to move timeframes. I have given you permission to call upon My name, to call on My heart, to ask Me for what you wish for, to ask Me to move on your behalf.

Because of the prayers that are crying out, because of those who are beginning to see I am their only remedy, I will be the God whose name will be glorified in the earth.

Time has already shifted. You are already walking forward whether you realize it or not.

Quit looking for what needs to happen. It has already happened.

The Spirit has already shifted things. Every seat of power on the earth exists through Me and for Me. Do not fear or let the enemy torment you.

Instead take hold of My delegated authority and begin to engage with the Holy Spirit strategies in prayer, and in the natural, to

bring those things in the heavenly realm into the realm of the natural.

I have changes ready to be released. But you must work with Me to expedite them.

Many have let go of the need to gather together as the Ekklesia. But there is a Spirit call to awaken them and bring them back. Time to come home.

Together is always how I have brought forth the after-effects of the shaking that changes cities and nations.

I have never let go of My Church, as a whole. I am gathering them into oneness with Me, and that is the only thing that will bring togetherness.

Expect to hear and release the sounds of REVERBERATION that will be necessary to reflect My sounds of Heaven and echo My words, My ideas and My actions.

Then it will demand a response—a reply and a return to that which is holy, that which is righteous, and that which is necessary.

Angels and the Supernatural

Because you have acknowledged Me, I am releasing angels into your storm.

You will hear and you will see and you will ride on the wind with Me.

For you will see above the fray. You will not see with your natural eyes, but you will see what I can do and you will hear what I am saying.

You will obey Me. You will hear and engage with Me. As we move together as a unit you will see the army rising. It is arising here and it is arising there, and over there. It is arising because you love Me.

Above all, LOVE ME.

Church Activity

I have a Bride that is going to understand with the insights of Heaven, what God is doing, and how He is doing it. Now, the Church will seize the opportunity to apply the power that has been invested in them to call the enemy out of hiding.

My Church is called to declare and decide which way things are going to go.

This is the time for you to engage with My Spirit as Elijah did when he called out the darkness of the spirit of Baal and Asherah. When he stood against those that were orchestrating the darkness that had the stronghold over the region where God's people were to reign.

He called on the God of Heaven. And I am asking you to come into unity to do the same.

This is the time that the Church will lock arms and push back the darkness to allow more time for the lost and the broken to be gathered in.

As you seek Me, worship Me and look only to Me, you will find My answers and be able to rise into what you don't even understand.

How you handle what you do not understand will expand your abilities to diminish the enemy.

My ways are not your ways. They are MUCH higher.

I am beginning to unveil the reality of your value and your gifts that I am putting a demand on for the benefit of others, even the world.

You will do things in a different way. You will respond in a different way. See Me work through you, and you will be in awe of Me.

This will be like the days of Joseph when you will be aware of your call, your mantle and your anointing.

You will also be aware that it is imperative that you embrace who I have designed you to be so that you will intervene and cause My goodness to spread across the nation and the nations.

You have My SON in you to operate through you. As you become totally dependent on your relationship with Him, the synergy of the ages will surge through you. It is My resurrection power that is needed to split through the insurgence of the enemy that is trying to revolt against My Kingdom plans.

I am releasing the ability for you to walk in a new boldness. As you step out in faith, you will see your harvest taking place differently than in the past. You will never operate the same, from this time forward. Your faith will increase. It will be better. It will be known.

My name is going to be broadcast. My name will be broadcast by those who don't want to broadcast it. They will say, and are now saying, "It is only God."

This is the power that will take your breath away as you realize it is only ME that can bring about these results.

This is a year for faith to build upon faith!

Do not be judgmental about how My Spirit moves. It is necessary for you to be flexible; and do not limit your thoughts to patterns of what was acceptable in the past.

This is a new season. Let Me be in charge of this season.

Expect the unusual to bring about the unusual.

Choose your victory! I am watching over My Word—even the Word that comes from your mouth to bring the victory.

EXPAND! Get knowledge. Embrace My wisdom. It is available to you.

I am calling My Bride to huddle close, and then hear My voice and move out with

strategies that will strengthen your church, your city and the nations.

Ask me to help you to not hold back.

I am looking for those who will not back down, but will arise, stand up, strengthen their back, and rule with the power and presence I have released. Shake your neighborhood, shake your city. Shake your work place. Shake yourself until you shake the nations.

My restoration will cause you to accomplish what I have always dreamed of.

Psalm 22:25-31 AMP

25 My praise shall be of You in the great congregation. I will pay to Him my vows [made in the time of trouble] before them who fear (revere and worship) Him.

26 The poor and afflicted shall eat and be satisfied; they shall praise the Lord — they who [diligently] seek for, inquire of and for Him, and require Him [as their greatest need]. May your hearts be quickened now and forever!

27 All the ends of the earth shall remember and turn to the Lord, and all the families of the nations shall bow down and worship before You,

28 For the kingship and the kingdom are the Lord's, and He is the ruler over the nations.

29 All the mighty ones upon earth shall eat [in thanksgiving] and worship; all they that go down to the dust shall bow before Him, even he who cannot keep himself alive.

30 Posterity shall serve Him; they shall tell of the Lord to the next generation.

31 They shall come and shall declare His righteousness to a people yet to be

born — that He has done it [that it is finished]!

You see, you need Me involved, as you have been willing to understand you don't understand without Me. Now by including Me, things are aligning.

Those things that I continue to make known will come out of progressive revelation that comes forth not by one, but many. You will hear and realize no one person can contain all the revelation coming.

But when each functions, doing their part, then the Spirit brings forth the capacity to bring forth a Spirit expression that impacts.

I have called you to rule.

I am releasing My Church to take back the mountains. You have heard about those who have gone to the mountain to meet with Me. You have seen the power that they received. You have seen what I can do when you meet with Me.

SALVATIONS

Salvation is coming to many. Sozo. The full package of My intentions. Wholeness. Healing. Salvation. The spirits of infirmity will bow to Jesus' name.

For you My Church, so that you, My Church, can expand the truth and bring it into actualization.

Just as I sent out My disciples to spread the good news, I am sending you as you operate in My ways as Moses did.

Learn from those that have gone before you. Study them out. Learn what I have done through human vessels when they yield to Me.

Who you stand with, matters.

How you stand, matters.

What you say, determines things.

How you take action, defines who My followers really are.

Prayer and Angels

My desire is that My Church will push through in prayer with intercessors that will not stop until the strongholds are not just pulled down, but crushed beneath their feet.

Have you not heard, have you not seen? The Lord God your God is Mighty in battle and He is with you wherever you go.

Proverbs 8:14 NASB

Counsel is mine and sound wisdom; I am understanding, power is mine.

Power is mine. There is no power, there is no wisdom, there is no understanding, there is no win outside of being with Me and knowing My ways.

Some of My beloved ones will go with warfare prayers. Some with standing in the gap prayers, some with SHOUTS of acclamation! Some will walk before leaders and influencers, and kings, with My wisdom and insight in their mouth, that will release them from the confusion and enable them to make righteous decisions.

Understand, timing is held in My hand. But when there are those who cry out and put their requests before Me in earnest desire, it moves Me.

Timing can be moved by you moving.

Remind yourself of My Word. I intervened for Moses, for Joshua, for the Israelites, My people, as I will for you. As you humble yourself and gather together in prayer, intercession, and deep cries that come from within for the lost, for the hurting, for those that are being misled and betrayed.

It looks as though the enemy has taken ground, but My angels have been commissioned to move and bring forth My

desired effects in the unseen realm first, as you war beside Me.

I have sent angels to war alongside of you.

They are awaiting the risen Church that will take their stand and not relent.

There will be reports of angels being seen in action, and the news of their service will excite many and make them aware of heavenly happenings.

You will move forward and experience the awareness of the angels working alongside. Expect to hear, to feel, to be aware of their presence.

This is to build your faith, not to bring pride.

Do not fall into comparison. Instead, embrace the differences of what I am releasing to the Body of Christ.

I am bringing you into a new time when you will come together and become aggressive for My assignments. As you have taken the mantle, now you will walk with the mantle.

Now you will swing the mantle. You will be aggressive over My moves that have gone before you and prepare yourself to step into the new combination move!

Break up the enemy's plans and destroy his devices as you step into your promotion.

2 Kings 2:12-15 NKJV

12 And Elisha saw it, and he cried out, "My father, My father, the chariot of Israel and its horsemen!" So he saw him no more. And he took hold of his own clothes and tore them into two pieces.

13 He also took up the mantle of Elijah that had fallen from him, and went back and stood by the bank of the Jordan. 14 Then he took the mantle of Elijah that had fallen from him, and struck the water, and said, "Where is the Lord God of Elijah?" And when he

also had struck the water, it was divided this way and that; and Elisha crossed over.

15 Now when the sons of the prophets who were from Jericho saw him, they said, "The spirit of Elijah rests on Elisha." And they came to meet him, and bowed to the ground before him.

Elisha served Elijah, followed him, honored him and cried out for the Father (God) of Elijah and then Elijah as his spiritual father.

It unleashed the plans I had preordained for him.

Let Me operate the mantle I have dropped for you.

Proverbs 21:1 NASB

The king's heart is like channels of water in the hand of the Lord; He turns it wherever He wishes.

My mandates are going to be released, for the win. Step into your call, your passion.

Let me be your GOD.

Escalation works in both kingdoms.

Whatever you are going to do is going to escalate.

If you join the thief you will escalate his stealing, killing and destroying.

If you escalate My heart to be a soul winner, you will escalate the harvest for more souls.

If you escalate your obedience, there will be an escalation of miracles and deliverance.

Now you will have to choose to move into what you have been trained to do and be.

My people have begun to take their place in the media and they are making a difference. Because when you release your voice there is power impact. That is because it was the year of the mouth in 2021.

But this year it is an acceleration for the Church to move into what I have been releasing in the past decade for you to possess.

Position yourself properly. Humbly, and yet fiercely. You have to know both sides of Me. I am a God of love, but I am fierce for what is righteous.

I am also causing the movement of My people to become evident. Those that have been leaning into Me are readied for service, and spiritually-guided activity will intercept the plans of the enemy.

When I move you need to move with Me, even if it seems uncomfortable. Even if it is not natural for you. But if I am telling you to do it, overcome the natural, so that you can begin to rule in the supernatural.

Those that are with Me by having earnest hearts before Me, have always been those I depend on as My planting to bring forth the harvest.

You will have to strengthen yourself in Me. Do not get stuck in circumstances. Instead, determine to advance with Me.

You must understand I will have a people readied for what is now and what is to come.

This will mean that you must carefully consider Me. Think with Me, and take into account My heart's desires in an intentional way.

Regard Me enough to take action, as your gaze stays steadied on Me so that you always reflect Me.

The time to be casual about your relationship with Me has to come to an end, as I require you to be deliberate about your positional authority.

Step into the world's arena and begin to reveal Me to the lost and broken.

The harvest is made ready because of those who have stayed, plowing the ground.

Salvations will be many.

I'm bringing a rearranging of the operation of My Ekklesia. You're going to lay new foundations and applications to reverse the effects of the enemy. Refuse division.

This is the time for the power of the Good News to come forth speedily. It will cause many to bow their knees as the Spirit touches their hearts and reveals My love.

Be lovers of My love.

Because radical love releases radical faith!

When you engage through Spirit-led response, you will recognize the power that is released through you, and you will realize how differently you are able to engage.

Then, get ready! For a new kind of faith that will be released in the atmosphere.

When you are in My presence, you will transcend natural thoughts to My thoughts as you are enlightened in My glory.

ESCALATE your listening! Spirit to spirit. To enlarge your capacity of understanding how to move.

If you are truly mine, the Spirit will push you forward into movement.

Don't turn away from the growth I have prepared for you.

Do not take lightly that you have been training to hear My voice, for My voice is mighty. You will accomplish much.

Come to Me. Let your prayer life stay flowing in My river.

Don't come with pre-conceived prayers. Let My prayers come through you.

Here, where I am sitting at the right hand of the Father, you sit with Me.

As I pray, you pray, and as I accomplish, you accomplish too.

I have been stirring, and I have been calling, and I have been drawing prayers that come from eternal places.

There will be those who will walk upon prayers you have released out of your mouth.

Come along and work beside Me.

Then Heaven will enable My believers to bring the sudden, radical changes needed to live victoriously and bring in the harvest that is waiting.

It is time for My people to change positions with the world and become the world leaders.

I am calling you into an elevated mindset with an attitude that comes from the altitude of seeing beyond the horizon of the restraints of this world.

I'm calling you to rise and see into the heights of My supremacy and bring about My dominion from Heaven to earth.

The security you are looking for will not be found in the world's system.

You will be secure and at peace, while at the same time motivated out of the normal, to be a part of My great commission.

It is remarkable and waiting upon you to join the greatness of it.

Kingdom strategies are what My Church should be doing in the midst of heavy conflict.

The conflict is not over. Do not be deceived.

But remember who has been given ultimate authority. Me and YOU.

Matthew 28:18-20 NIV

All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and

teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.

Kingdom

Know you have a part to play. Yes, you have a part to play. You have a bigger part to play.

Now every day you will come and say, how can I join to bring Your Kingdom here?

How can I see what You see?

How can I bring it and be a part of what the King is decreeing?

I will open your ears to hear My decrees.

I will open your eyes to see the revelation of My Word on a daily basis.

Keep your minds free of the debris so you can see and know My new ways.

Ask me every day what have I written for you to proceed with.

Every day I will have a new prescription for you.

Joy is coming back into My streams, into My rivers, into My way of thinking, as I am releasing what is needed on the earth.

Joy comes. The difference is, My Body is starting to figure out that as they obey, even if it feels like they are working, joy is the result. Accomplishment comes. They are beginning to understand what it feels like to work with eternal things.

Have you heard the voices coming into agreement? Have you seen the resurgence begin?

Now receive Me again and again and again.

Receive My words like the first time that you heard them.

You will revere Me and seek Me until you see you have My traits and My characteristics,

because you have come into My honored place behind the veil.

I will rework the things that concern you to bring about the turning of it for your good.

Those who are building upon the spiritual truths as I have asked, will find the value of their obedience.

You will eat My bread. You will take My flesh inside you. You will partake of Me through the words I have put out there for you.

That which is impure is being sorted out. Purity has run through your veins. My blood and My body broken for you, so you would be whole. That's always been the plan.

That's why I came. Nothing missing. Nothing broken.

I will provide many manifestations to get your attention. But you must TURN to Me, instead of away from Me, to see what I am doing.

In the isolation there has been a call to turn your eyes upon Me.

And as you choose Me, you will not only call upon on Me, I will call upon you and I will reveal who I AM to you in the depth of your being.

You will not have to struggle in your decision to follow Me, because I will be more real to you than the things of this world.

You cannot align to the culture of the world. Align to My Kingdom culture.

Find your keys.

I am with you.

Freedom is yours.

Healing is for you and will come through you.

Heaven is interfacing with earth and you are to merge Heaven's ways into the earth with ME.

World Matters

My people's prayers are what will make the difference.

You will also see revival break out and begin to transform lives that will impact the atmosphere with life.

There will continue to be grassroots movements that will call attention to what needs to change. I will raise up people and give them wisdom as I did with Joseph to bring the needed intervention.

My Church needs to be very cognizant of how they respond; and how they obey is pivotal in this year.

What happens in the next 10 years will heavily ride on what happens in the fierceness of My people and their hearts of compassion.

There can be no hatred if the world is to be won by My love.

Keep your hearts clear, and your mind saturated with My Word, and your soul saturated with My presence.
