

2020 PROPHECY

SPIRIT EMPOWERED TO GO ALL OUT

This is what I have designed for you this year. I want you to have a revelation of what My Spirit is able to do, not just when He is upon you, but when He moves through you.

With the year I bring much revelation. 2020

The number 2 is going to mean you and Me and Me and you, which gives zero capability to the enemy. You will be **EMPOWERED** as never before.

It also symbolizes where two or more are gathered in My name, there I am in the middle. You're going to know My power, you're going to know what to do. A circle of love will be evident and I will take My place to orchestrate your life to live abundantly as was originally intended.

But you, as My first disciples did, must receive **HOLY SPIRIT EMPOWERMENT**.

John 20:19-22 NKJV

19 Then, the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled, for fear of the Jews, Jesus came and stood in the midst, and said to them, "Peace be with you."

20 When He had said this, He showed them His hands and His side. Then the disciples were glad when they saw the Lord.

21 So Jesus said to them again, "Peace to you! As the Father has sent Me, I also send you."

22 And when He had said this, He breathed on them, and said to them, "Receive the Holy Spirit."

It began the movement that was needed then. In 2020 there will be a **SPIRIT EMPOWERED** reunion that is coming right now. I want you to understand who you are. I am joining the forces of what has happened in the past with what I am doing now, with what is coming to pass.

I am bringing lightning; I am bringing power; I am bringing thunder, and I am bringing My voice again. I am bringing it through My people. I am bringing it to the world. It will bring an enlightenment: hearts and minds once again will go back to their first love, and it will grow to call forth others to truth.

I am bowling over what the enemy's plans have been. I am busting up his plans and I am releasing the greatest army of revival that the world has ever seen. 2020 is My time!

The prior moves that have occurred, you can see My hand upon them, but then man began to corrupt My move with their ideas and agendas. But what was of Me, stood. Though you aren't aware, I watched over the goodness that was released and held it in my hands. I have packaged it to release it again with the new activity that will happen by **HOLY SPIRIT EMPOWERMENT**.

There will be a convergence of authority. There will be a convergence of power. There

will be a convergence of revelation. There will be a convergence of what My name stands for. My people will represent Me as they go out with love and with power.

I'm going to expand your borders. I'm taking people back to the baseline and I'm going to hit them with the fire of the true, Holy Presence again.

I will **EMPOWER** you with movement, but you must move with Me. Be willing to impact your own family, your own territory, your own region of influence, and then I will expand your borders.

When the **SPIRIT EMPOWERS** you to go **ALL OUT**, you will go as My witnesses in your own Jerusalem, and Judea, and Samaria, and then into all the world.

I'm opening up doors for you. I'm opening up doors here, and then I will open up doors there. And some will come here. And some will go out. But I will be the one orchestrating it. You will hear My voice and you will be My voice.

That which I have orchestrated gives no place for the enemy to interrupt. I am God and My plans will not be interrupted.

You will go first to the familiar areas before you can go to the unfamiliar places. You have to plow the ground, sow seeds, and cultivate it.

No one wants to start in the hardest places. The familiar is the hardest, but it is the place where true disciples are built. You will have to walk in the familiar places to have an unfamiliar, fresh, new, unprecedented influence.

You must **hear** and **know** and **obey** My voice. Then you will stand against any resistance, with My **EMPOWERMENT** and wisdom. I will

stare down any resistance and it will give way to My will.

My plan is to bring you so close to Me that there will be no place in between us for the enemy to hide.

Stay connected to Me ... I join you in the battle, to bring the victory that will bring many out of delusion and deception and into the realms of the **SPIRIT** that will not be denied.

The truth of My love, the truth of My goodness I will release. The good things of the prior revivals and times will return, and join the present movement as I bring revelation with power.

What a time it is. This is the time for My Church to fulfill this scripture:

Ephesians 2:7 (TPT)

Throughout the coming ages we will be the visible display of the infinite, limitless riches of his grace and kindness, which was showered upon us in Jesus Christ.

Many have wondered where the answers have been for the prior promises, but 2020 is a new decade where the time of waiting has passed and the time of perfect release has begun.

Look for the climatic events to prove who I am in your midst. And as a sign to the world.

As you release your words that come from the Holy Spirit with power, He will release all that is needed to bring forth a new prevailing influence in regions to open the heavens.

When Holy Spirit came, He didn't gently walk in the room so as not to offend the others that were in Jerusalem for the Feast of Tabernacles.

No, He was making a grand entrance!

Acts 2:2 NKJV

And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting.

What happened? When He came there was noise, there was fire, there was boldness, there was **EMPOWERMENT!** He is making another grand entrance.

A SOUND!! A sound bigger than 120 united praying people.

My people need to be **waiting, seeking together, becoming ONE. And wait again for the promise.**

2020 will not just be a year to see again, to focus again. It is a year of **speaking, of proclamation and declaration** that will come from the **EMPOWERMENT** of the **SPIRIT** as it did in My disciples on the Day of Pentecost. The power that they had never experienced before, you will experience.

I am bringing a consistent culture of **MY Kingdom**, of fire, of My will being done, by the **POWER** of My **SPIRIT** and My obedient disciples. To those who will cross over. I laid My life down on the cross so that you could cross over from the old into the new.

It's the beginning of a new season for you—a new decade—no longer wondering who you are or what your identity is, what your value is, your worth. You're coming into a new beginning, a place where people will begin to respond because you will be so full of My presence that will bring it forth.

I will release the directives as My people step **ALL OUT** into the unknown.

The people in darkness will see a great light that will shine out of you, and they will hear a sound coming from you. Even the unspoken sounds will emanate and grab hold of those

that are looking for something that has value, something that is authentic, something that will bring change into their life, something of substance.

That is who you will be — **EMPOWERED** by Me to be their answer, to lead them by the hand, to disciple them and lead them in righteous ways.

There will be a sound of a roar as My people gather in small and large meetings to seek My face and My will. **EMPOWERMENT** will come, not to just talk the talk, but to walk the walk of the gospel truth. You will roar with the truth, without judgment, but enveloped in love.

I am longing to hear the sound you release. As you pray—what atmosphere are you creating? As you go—what atmosphere are you creating? You cannot leave your prayer life at the altar at church.

You must come and wet My feet with your tears again. You must weep before Me as you cry for My heart. You must come in surrender and humility before Me, acknowledging Me as your King—giving Me the honor to **EMPOWER** you even more. As you weep at My feet, you will feel My tears dripping down from My eyes. You will know that you are the answer to My prayers, as I sit beside the Father and intercede for those called by My name, with the love that can only be found with Me in you and you in Me—the oneness that I've prayed for.

As you live every day, what sound are you making? What sound are you making together, corporately, as My Church?

What sound are you making outside as you go **ALL OUT, SPIRIT EMPOWERED**, not in your own strength?

For it's not by your might or your power, but by My **SPIRIT** that you will frustrate the

enemy and take territory and souls back by force. On purpose. Warriors arising again. Taking up that which is righteous, that which has been given to you. Shout the victory!

Let the prophets prophesy from understanding the will of God coming from Heaven to earth. Until they converge into one.

Let My people cry for My strategies and grab ahold of the revelation needed in the moment as well as the bigger picture.

Your **SPIRIT**-filled voice is to drown out what the devil is declaring and coming to accomplish. He is invading your realm of authority and stealing from you!

In 2020 you must join Me; you must take your positional authority and take it back by force. You can do this by My power, not by your decision.

The structure of My authority will change things, but you must come into agreement and begin to speak with confidence and fierceness once again.

The silence of My Church is over. With authority you will speak and it will divide between the spirit and the soul, and you will release those that have been held captive and set them free from their prison. You will open up the doors as I have promised you. To let them commune with Me, as we are one.

Let the roar begin. Roar against his territory. Roar against his plan, against his agenda, against his stronghold—and watch them fall to nothing. Watch them flatten as you walk upon his plans and declare My Kingdom has come.

Many will increase in understanding vision in 2020, but it is also a year to release your voice—because as you settle into My truths, you must not just know it, you must speak it and step into it.

It's a year of declarations that will fill the air with My **POWER** because My Body will receive the impartation of the Spirit and begin to release whatever voice is needed. It will shatter the darkness.

A new breed of fierce people is beginning to arise and insist on the win.

In 2020 you will move into a season where My **SPIRIT** is coming to awaken that which My people have already been entrusted with.

My very **POWER** that has the ability to bring change is coming in a greater release for you, the influencers, to bring exactly what is needed to impact this current age.

It is a time that the **SPIRIT EMPOWERED** Church will lay aside their own ways to take on My ways, and go where I tell them to go, to do what I have called them to do.

Because of the **SPIRIT'S EMPOWERMENT**, **this is what has been released and will be revealed to you:**

- The official authority and legal power that you have been given to operate in fully.
- My **SPIRIT** will enable you and promote you to impart pure influence, understanding your commission from Me.
- The **SPIRIT** will make you aware that My anointed ones are the qualified ones.

You must understand that the antonym of EMPOWER is prevent.

The enemy has done his best to take hold of the minds of My chosen and to infiltrate them with lies that bring compromise, to **prevent** them from My pure power.

But those that have stood against his tactics and contended for purity will see the reversing of the curse. They will see the beginning of the obvious blessings I am

releasing to the faithful ones who would not let go of the promises.

Focus on Me. Then you will be able to stay focused. The world will take note that My sons and daughters have been with Me as they turn the world upside down.

Revival will be personal before it will be corporate. A stirring of passion to go **ALL OUT** in proving My **POWER**—which has always been available—to set each person back into divine order again.

The decisions many have wanted to make—to live differently, to be more reverent, to be more committed—will find it easy as they are **EMPOWERED** as My **SPIRIT** overwhelms them with My goodness.

Those who will embrace what the **SPIRIT** is doing and saying, will arise out of the attitudes and the ashes of the world.

Their eyes are fixed on Me because their times with Me are the most precious times to them.

With humility, they will no longer allow the world to take up any more space on the inside of their hearts.

My lovers will be determined to display My glory and love and **POWER**. And the impact will increase and the result will cause them to be eminent—obvious, standing above others in quality or position.

I am making Myself conspicuous to the world, causing things to rise to a head. Those things done in darkness will be revealed in the light.

Decision time is upon many people and many nations.

I will come with enormous lightning and thunder from the heavens to cause people to

come to a decisive point in their lives as to who they will surrender to.

I am coming to awaken My people by the **POWER** of the **SPIRIT** with the reality of the **EMPOWERMENT** of governmental authority that I have given them to walk in. A royal race is going to arise out of the rubble.

I will release the experiences needed to a people that will bring intimacy and revelation. It will be like a lightning rod that comes from Heaven to earth that lights up a clear pathway for those that know Me, and for those that will come to Me.

Those who have given up on their vision, but who come to Me and repent and ask Me for the “updated version,” will find my “**revision**” ready for them.

For how they have interpreted what I have said to them, and what it means in this time frame, cannot converge until they accept the remodeled, stabilized, alteration of the vision.

These are being given to those who are ready to lay aside what they have demanded as their “rights” in order to take their real, rightful places as sons and daughters of the Most High.

Just as Jesus laid aside His rights, taking the form of a servant even to the death, He never laid down who He was as King and Son. He was son of man **AND** My Son.

And I will never forsake My sons and daughters, or withhold My **POWER** from them.

It is a time where I long for My people to crown My Son with many crowns. Honor Him with sacrificial giving, and sacrificial living.

- Crown Him by denying self and the deeds of the flesh.

- Crown Him by offering your life as a sacrifice to His will above yours.
- Crown Him by speaking the truth in love.
- Crown Him by washing His feet with your tears of repentance.
- Crown Him by honoring Him when you don't feel like it.
- Crown Him by worshiping Him openly with your life, in and outside the walls of the church gatherings.
- Crown Him with many crowns by assuming the position of humility and servanthood.

Moses' heart was to climb far enough into the heavens that the world and the frustrations were left behind and we could meet face to face. He came not for himself, but for the answers on how to instruct the people he and I both loved, to come out of slavery and into the promises.

He found himself face to face with Me. My glory didn't just overshadow him, it became resident within him. It was so obvious, it scared the others who had not experienced this kind of relationship.

But now, you are invited to My mountain to meet Me face to face and be **EMPOWERED** with My glory and be filled with My wisdom! Wisdom will be unleashed to the ones who are willing to proclaim it with My heart!

My Spirit is entreating you to come up higher. Don't you see that it is necessary, once again?

Where are those who are willing to deliver My Word with a fresh **EMPOWERMENT** that will destroy the plans of the enemy and lay out a righteous path for others to walk on?

Respond to the thunder in My voice and don't call the fire that I bring strange. Instead, embrace the fire and allow it to consume that which must be consumed and leave that which must remain.

I am calling forth fire that will be found only in times of prayer. Prayerless ones will not receive the same fire, but they will have to long for Me on a personal level, and intercede for others so I can entrust the fire that is coming to honorable, sold-out vessels.

My time table will come for 2020, not as man has planned, but as I have planned.

There will be an uproar that will bring an outpouring. People desperate for answers and desperate for meaning will find Me as their answer, and find the true meaning of their life.

Be ready for the uproar to upset the normal. There will be challenges as the enemy arises against what he senses is occurring. He will try to rule the airwaves. That is why your voice must sound and resound. That is why My people must put on their armor and take charge again.

In the midst of an evil day, I am calling My people to arise and proclaim. Live to glorify My name and make My name and all that comes from the power of My name, alive!

There are keys of the Kingdom being released to you in 2020:

FAITH - Faith in My character in Who I am and what I'm capable of

HATING SIN - Calling it what it is—not allowing it to come anywhere near your right-standing with Me. Anyone can fall if they don't recognize the tactics of the enemy.

REVERENCE - I am a Holy God. Reverencing Me is not a suggestion, but it is the key to keeping things in divine order.

WATCHING OVER YOUR WORDS - There's power released in your words. You will either empower satan or empower the Kingdom in your life. Even flippant words can be open doors, for the enemy is lying in wait seeking whom he may devour.

FIERCE - I am looking for warriors who are not afraid of the fight, because they know the end result. But they have to arise.

ADORATION - Includes praising and worshiping and acknowledging Me. It's in that place of adoration that you will realize how much I love you and I will **EMPOWER** you to love others, to even love yourself again.

SPIRIT-LED - Those who are led by My Spirit are the sons of God. They are the ones who will learn to trust Me and they are the ones I can count on.

If these 7 keys are alive in your life, it will bring life and wholeness. 7 is My perfect number. It brings divine order. Divine order releases the **EMPOWERMENT** that I have laid out before you. But now you have to pick up the keys. Unlock every door in your heart and invite Me in. And see what I can do—with you, through you, and to impact others. The Gospel is then going to be realized. There's no set format of presenting the Gospel. YOU are the walking presentation of Who I am and what I do on the earth. YOU are the tract!

YOU are My visualization—the opportunity to show all who are looking for the reality of My presence and who I am—because it will be seen through YOU.

This is a new season. It will bring forth purity and holiness, which then brings the breakthrough ... and true overcomers that will bring the victory! So earth can look like My original intentions.

I will open doors of opportunity to those who are willing. It will cost you time; it will cost you commitment. It will look like it costs you financial investment. But that which you give to Me will always be multiplied back to you.

It is time for you to **untie**:

- Untie yourself from relationships that lead you astray instead of to Me.
- Untie yourself from the world's system.
- Untie yourself from the past ... let it go.

- Untie yourself from your habits that are distractions.
- Untie yourself from bitterness and jealousy and loss.

BE FREE IN ME! I've already paid the price for you. Enjoy the freedom I bought.

Stomp on discouragement and be encouraged again because My faith is being released in your midst. Grab a hold of it, do not resist!

Insist on believing Me again for unusual, outrageous things so I can prove Myself.

Be givers! That is My DNA that I gave to you when I formed you. Withholding means you have agreed with the enemy and his tactics. Destroy him by choosing Me and My ways! Insist on giving, and do not succumb to being takers.

True love gives. It's that simple.

Additional revelation will be given to those who will proclaim the truth unashamedly before men.

There will be those that will persecute you because of it. That is why you must have your heart set on never surrendering even an inch to the enemy.

Devotion to Me will not be optional if you are to be optimum.

I am releasing to you the **SPIRIT plan** necessary for you to live as My heirs. When you align yourself to My plan, it will alleviate you from the mistakes of your past. It will elevate and **EMPOWER** you to be reinstated in your true identity to walk forward into the future—the Glory of Christ worth going **ALL OUT** for.

Your YES will affect many nations. They will be impacted by your purity, and you will release their true identity to them. You will

call to them, and you will see the doors opening.

There will be opportunities local and abroad to SERVE. For I am not looking for superstars; I am looking for servants who are willing to go **ALL OUT** for the benefits of others, not for their own soul.

Relationships will be newly formed and I will mend and repair some old relationships to reinstate them. But be led by My **SPIRIT** and be willing to love with healthy boundaries. I was in the world, but I never became the world. I transformed the world. That is your assignment also.

Honor will be re-introduced. The enemy has stolen honor from the hearts of many towards Me, towards each other, towards any form of authority.

But as those with pure hearts arise in the midst of dark scenarios, honor will be reinstated in the hearts that were touched by those who are secured by My presence and who honor Me in their times alone with Me.

I am connecting nations to Liberty as I have called you to love them. They are coming to you, and you are going to them.

Model Me as you go **ALL OUT**. Stay **SPIRIT EMPOWERED**.

If it is you and Me, and Me and you, the enemy will remain a zero.

Here is the Liberty **SPIRIT** plan:

Word—forever / Jesus / good news

Spirit—passion / gifts / activations

Freedom—Isaiah 61 / purpose / healing

Honor—integrity / relevance / excellence / truth

Relationship—covenant / praise / righteousness / generations

Revelation—prayer / obedience / faith

Transformation—empowerment / inheritance / outreach / development / establishment

Isaiah 61:1-4 NKJV

1 "The Spirit of the Lord God is upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound;

2 To proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all who mourn,

3 To console those who mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the Lord, that He may be glorified."

4 And they shall rebuild the old ruins, they shall raise up the former desolations, and they shall repair the ruined cities, the desolations of many generations.

Our Mission:

- Love God passionately
- Serve others significantly, by
- Embracing, displaying, and sharing God's love
