

## 2023 Prophecy – Pastor Dawn Rene’ McCann

This is the year of **Kingdom living** where you will come to know that I am your Great and Mighty God. I am the Creator and the Ruler of this world and My Kingdom will remain in power forever.

### **Isaiah 9:7 KJV**

Of the increase of his government (prevailing power) and peace there shall be no end, upon the throne of David, and upon his Kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever.

**Kingdom living** will erase the shame that has come from lack of My power being demonstrated.

You have been challenged on many sides and yet I have stayed within you, and you have stayed in Me.

Living with no known result is causing many to give in to mental frustration and to embrace a “there is no point” mentality. This has caused My Church in many ways to falter and lose some battles.

So much mixture has burdened My heart to see the enemy take advantage of you as you live in compromise.

You have consented to concessions with the enemy, thinking he will leave you alone if you do. He will not. He will actually have more access to you. You must also know his ways of functioning by studying My Word to see how he operates. When you see him for who he is, and when you see Me for who I am, you will have your eyes open to know why you must hate him and his ways and cling to the One who loves you.

This will continue to test what and who you pledge your allegiance to.

I have told you these things not to bring fear, because there is no fear in Me or My ways. I have told you so that you will move in a higher level of discernment and be willing to separate yourself from that which is compromised.

There will be scrambling to try to keep up with the old ways to bring normal back. Normal as has been known, will never return. My normal will keep My people steady and ready to lead those whose structures have failed them into a new understanding of what is trustworthy.

I shook you down to My foundational structure because that will be what stands.

Do not fear. I have raised up many who will be steadfast in their willingness to give and give generously, with all that I have entrusted to them: time, talent, energy and finance.

Some have trusted in Me for a long time, but I am also releasing My ways to those who do not know that they are actually operating in My Kingdom operations that will bring sustainability for this season.

I will continue to answer the honest prayers of those who cry out to Me for help, but My children will have to be divinely led to those that still desire to hold to My divine interventional ways.

There is a place where there is no turning back from. Come and join Me, and be joined to the contentment only I can bring.

Come to Me and look to Me for the fulfillment of the inner longings of your heart. I am in love with you.

Be satisfied with what I have given to you as assignments that will bring out what is needed to help others to know Me for who I really am.

What has been set aside will now have to be center focus. My heart for all My children is to be active with My heart-cries for My people, to reach, and respond to others as I have done to them.

This is the year to take back that ground as I bring forth again those that will model **Kingdom living** and disciple others in My ways.

You will find yourself going and reaching for those that need to be drawn out of the trappings of the enemy and his ways. Because he is still trying to operate in his kingdom.

There are those that are crying out to be “found”. They do not know the way, but they know there must be a way that is different than their present course. They seem to be encased by the enemy,

but break through the outer crust of that facade by bringing unconditional love and care for them.

It is time for you to know who you are. It’s time for you to know that I have made you to be kings and priests.

#### **Revelation 1:6 KJV**

And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.

Glory: *doxa* - glory (as very apparent) - dignity, glorious, honor, praise, worship; magnify

This is the knowledge that I am breathing upon in this time for you to be able to embrace what I have always desired for you, where the Holy Spirit will release you into being the bold, uncompromised chosen people of God.

I am ready by My Spirit to pour into you, to introduce you to who you really are and what you are really capable of.

It’s time to be My radical ones.

Be brave and release the dynamite of My power.

You are My prize. I won your heart, and I see you as the ones that will show My unsurpassed greatness on the earth at this time.

You have been in the fire, and the purification will continue because everything had to be broken away from you and burned in the fire so you will be able to operate with My will being done on earth.

I have instructed the Holy Spirit to draw you to hunger for My Word, hunger for prayer—that is our communication system. Hunger to act upon what I have shared with you.

I am calling you to My table to eat with Me, so I can share My heavenly ideas that will be released upon the earth at this time.

Oh, how I long for you to arise, My children, into all that I have prepared for you.

I am calling you to not only be connected to Me, but to on purpose stay connected to Me.

There will be a difference between operating as one who was willing to talk about Me, to becoming one willing to lay down your life for Me.

How would anyone be able to see the difference it makes to be in unbroken communion with Me?

For what purpose? For you to be My harvest to bring the harvest.

My heart has always been diversity. Do you see My handiwork? It is beautiful to recognize that and come into unity. I am asking your heart to expand and allow Me to add different cultures and people groups to live among you. Racism does not belong in My Kingdom work.

The plots of the enemy are being exposed even through the mass discontentment. People's eyes are being opened to realize that their possessions, their status, their situations will not bring them satisfaction, and they are now becoming willing to look for something else to bring them what they really need.

This is the place of recognition of My heavenly presence inside of them, making room for all they have desired to come to pass with Me.

No independent spirit that is trying to be the "one" will be able to hide. They will have to come into agreement with My ways, or they will cause harm and without repentance, will fall.

You have heard of many who have called themselves Christians that already have followed satan's path that leads to destruction, as he misleads them step by step.

My heart breaks as they listen to the deceiver and adopt his ways.

That is why My Church must move into a higher place of outreach in their daily **Kingdom living**.

You can't be Kingdom-focused and forget about the needs of others.

That is why **KINGDOM living** is such a big announcement.

I am releasing My Ekklesia into **proper Kingdom living** this year.

To build My Kingdom in the midst of chaos as they are the conduits for divine streams being released. To ignite others to know My glorious intentions for them.

An interfusion between Godly ones will occur that will make you more aware of how My body is to operate. This is part of your journey to bring wholeness to yourself and to others.

The escalation of darkness is still advancing. So is the escalation of My light through the determined, willing vessels that are willing to co-labor where they have resisted doing it before.

Your job is to seek Me and to soak in My presence, to receive what I am pouring out, and then disperse it. In the dispersing you will break up the plans of the enemy; his plans will vanish as I am introduced as the King they have always desired to obey.

Yes, obedience will be a part of the necessary tools to come out of the darkness and even out of the grey.

It will feel as though you are trying to push the toothpaste back into the tube at first. But as you learn to go with Me, you will learn to grow with Me, holding on to the words I have spoken and will speak to you daily.

Keep your eyes on the prize of My heart being fulfilled because of many sons and daughters coming forth.

Worship Me completely in unison. Worship is where I dwell and where you will receive the insight you need. This is when strongholds are crushed—in the midst of praises to the King of Kings.

This is where you become more aware that I live inside of you and that you have been entrusted with greater works. As the fields are ripe and ready, you must be ready to reap.

This is where a great REFORMATION will happen within My Church to operate properly outside of My Church.

Entering in may be challenging, but you must press through to bring change for better ways of engagement.

Dramatic changes bring forth dramatic promises that have been released.

You must make your life a dwelling place for Me with renewed revival expectancy. This will be a year of both personal growth and growth of My Kingdom.

The disciples of the New Testament could not understand why I chose them, but once they saw the results of stepping out and nourishing and transforming others from one kingdom to the other, they were willing to lay down their lives.

Just as My disciples learned that there was so much joy in the journey, you will experience the same joy from the same willingness to grow and obey.

Stand firm on the foundation that has been laid inside of you and invite Holy Spirit to ignite you to burn with truth wherever you find yourself drawn.

This will happen with intercession that desires their heart to beat with mine.

Your assignments matter beyond what you can imagine. They have eternal consequences.

This is a year I will challenge you to engage in reciprocity – the practice of exchanging things with others for mutual benefit.

Many have not trusted Me enough to release everything into My hands, withholding because of fear. But this is the time to give and break the fear that has held you captive and you will see it return to you more than you could imagine.

You will walk in the privileges I have designed only for My sold-out ones to enjoy. Drop at My feet that which you want to hold on to the most, and have great expectancy for what will be released to you from My hand to your life. This year will be a year you must live in great expectancy for Me to prove Myself to you and through you.

If you will fill yourself with the truth of My character as shown in My Word, then you will see My character formed in you and others will be marked by it.

They will desire to know why you are able to be filled with hope and joy in the midst of seemingly having nothing. You will model their future to them, giving them assurance of their future.

In every situation you face, remember I have provided you the right to enter into My presence and access the knowledge only known by those who know their rights in Me that can be exercised on earth.

You have the right, as My children, to exercise My delegated authority.

Understand that and step upon that truth as your foundational truth.

As you pray My will to be done on earth as it is in heaven, expect that you will live differently because you have experiences in the heavenly realm that have convinced you of how big My realm and My power is.

As you fast and pray you will see the distance between heaven and earth melt away.

The substance of Me is being realized. My essential nature. My characteristics. My ultimate realities that underlie all outward manifestations to bring change.

You will have to go to extreme measures of obedience, because acknowledging Me in every part of your life will bring radical changes to the earth and to all those that I love.

You will be swept up into realms of glory and you will walk with My presence that will proclaim Me.

Then My Church will be responsible to rise with power and to teach and to train others how to live in My Kingdom, exploding forth with the right responses to the cry of My heart.

Released in fervency. Compelled to live thirsty and hungry for more of Me, because of the mandate released to live in **Kingdom living**.

People are being made ready to receive the truth of what you will say about Me.

You will bring the manifestation of what they need. It will come through My untied, united Ekklesia. That can only be accomplished working with others and the gifts I have given them.

Salvations will come as I build My Church to **exceed** the ordinary, usual, or expected way of doing things.

Be willing to sit and receive, to secure the soul. That will be the struggle to overcome.

I have an army that has stayed steadfast that will now be the teachers of experience to those that will run with precision and inter-dependency on those that have been proven and secured in Me.

Those who want to love others to life, who live their life in the presence of My love and My wisdom, are being released to overcome the darkness that is being released – in the Church and in your lives.

I have been preparing you to go to exaggerated lengths to reach the hurting, the lonely, the undone, those that are in bondage. I am sending them to you and I am sending you to them.

They will come to you, and they will come to churches that have been prepared by listening closely to My guidance. But My Church will also open their hearts and their borders to extend outside of manmade walls.

For those that are in need, you must begin to open your wallet and your resources to them. Do it in faith that My power will begin to flow through you. As you release what you have in your hand, I will release what I have in mine.

### **Deuteronomy 15:10 NIV**

Give generously to them and do so without a grudging heart: then because of this the Lord your God will bless you in all your work and in everything you put your hand to.

You can no longer just sit to receive. You must receive, believe, and then step up and step out to give out.

Giving brings joy and breakthrough because you are designed to be a blessing.

I modeled it for My disciples then. John understood as he experienced seeing the fruit of what he had given to others.

### **3 John 1:4 NIV**

I have no greater joy than to hear that my children are walking in the truth.

This is a year for learning how to live your life according to My Kingdom desires.

You will begin to understand and align with the priorities needed to live properly in **Kingdom living**.

Learning how to never disconnect from Me will be a learning process that must be embraced. The heart of the Father must be at the top of your priority list.

There are impossible things that will remain impossible if you do not stay connected with Me. But the impossible is possible when we are partnering together.

Be joined with the Godhead so you can be successful.

You will have to engage with Me AND engage with others to bring heaven's will to earth.

Look at My Word and begin to desire revelation of how you are designed and how this will look now and throughout eternity in the New Jerusalem.

If you look at the end of My book, you will find that the kings of this earth will bring their glory into My heaven.

**Revelation 21:24 KJV**

And the nations of them which are saved shall walk in the light of it: and the kings of the earth do bring their glory and honor into it.

I'm imparting to you the knowledge of the presence of who I Am. And the glory inside of you will become very apparent causing you to walk with your heads held high. You will be given dignity once again for Whose you are, for Who you believe in, for Whom you trust. Because you honor Me, because you praise Me, because you worship Me, I will magnify My power through you.

This is the time I am going to maximize the supremacy of My reign, and I will demonstrate it through My chosen people.

**You are different from the usual, you are different from traditional. You have been made to be radical.**

**You will hear yourself being able to infiltrate into the darkness and into the wrong views, and bring extreme turnarounds as you speak the truth in love, in love. My Spirit will encompass you and will empower you. And you will see the Holy Spirit release you to be a bold, uncompromised people.**

There can be no more moderate living. No more moderate living—that is not who you are. You will come into the knowledge of how much you actually love to love Me because I love to love you and I paid the ultimate price for that.

The power of My Spirit is going to rise within the lovers who will be filled with My life's blood that was poured out. My love is not short-lived. It's radical, it's everlasting. It was released by Me and

I'm not going to lose the power of My love or the power of My blood.

You're going to go to great, exaggerated lengths like I did to prove My very existence. And they will see there is something different in your life. There is something different in your walk. There is something different in your talk. There is something different in your movements. Those who have been held in bondage will find that My love has no borders. I'm invading their territory to take it back and encompass them in My love too. It is My intention to invade—and you will help Me to invade—and secure them for eternity.

It's My love that will shatter the death-grip the enemy has upon them. Love shatters darkness and then it is diffused and it's poured out and it is spread freely. My love is not going to be lost. No. My Father will never let My love be lost. He will never let My blood go to waste.

You already have the knowledge of My blood in your heart and in your mind, but you're going to have to determine to walk above the blood line. You're going to have to walk in the truths of how I want you to actually live. You will have to study what My Spirit-filled disciples did in the pages of My story and then apply it to your life because that is **Kingdom living**. You will have to demonstrate what the first disciples continue to demonstrate and realize what I have entrusted to them I have also entrusted to you.

**My Kingdom living** is to be fresh manna every day. Every day partake of the Word. Every day partake.

**My Kingdom living** is to continue to LIVE with Me being the very center of your focus. Not being scattered, not being distracted.

**My Kingdom living** is to be lived in a course of **action** as you step out again in faith. For satan has robbed you and caused you to doubt and caused you to step aside but I am pulling you back to center. That's **Kingdom living**.

**Kingdom living** will meet the need of others with the expectancy that I will multiply it back. **Kingdom living** means you'll demonstrate generosity. You'll have to dig deep into your wallets, dig deep into your talents, dig deep into your time and offer them as a sacrifice before Me, and give to those who are needy and wounded and broken.

I was broken for you and I was broken for them. **Kingdom living** means you'll recognize that and you'll offer it to others. I rescued you. I rescued you. In My **Kingdom living** you will be the rescuers.

My **Kingdom living** is heaven's reality coming to earth through you.

**Kingdom living** always sees the eternal purpose as primary and worthwhile.

**Kingdom living** will awaken My Church to the fact that the enemy has already been defeated, and you will have to begin to act like that is true for you and for them.

The enemy's substitutes will be shown to be futile to hold those that he has held captive. They will break out as My loved ones break out of their manmade boxes and become the living worshippers. Those that worship in a Spirit-led life!

Fighting on their knees, then swinging the sword of My life, separating darkness with My life and My light.

You must be a people ready to fight. With your eyes on the warrior King who has already won the war.

My Kingdom is to be released as you follow the One that is in the highest degree supreme.

You are designed for **Kingdom living** and this is the year it will begin to be a reality to those who are willing to pay the cost to engage with Me in it. It's time for you to recognize that the cost was high for Me to engage you in eternity. But there's also a cost for you to lay down your life. For them. You can't scrape by. You can't have drive-by love. You can't give and then take away. Be steadfast in who

I made you to be. Give your bodies for all that I have done for you. Let them be living sacrifices that proclaim and scream to the whole wide world that I am alive and living in you. That I am alive and I am living for them.

#### **Romans 12:1-2 TPT**

1 Beloved friends, what should be our proper response to God's marvelous mercies? I encourage you to surrender yourselves to God to be his sacred living sacrifices. And live in holiness experiencing all that delights his heart. For this becomes your genuine expression of worship.

2 Stop imitating the ideals and opinions of the culture around you, but be inwardly transformed by the Holy Spirit through a total reformation of how you think. This will empower you to discern God's will as you live a beautiful life, satisfying and perfect in his eyes.

Don't you know that is where your joy has gone? Because joy comes from giving. It is the way that I've created things and orchestrated them to be. If you're not giving of yourself in the spirit-side of things, then you're not giving everything.

There are many of My people who find it easier to give something in the natural than to give in the spirit, but this is a time where we are taking back—you and Me as we partner together—what the enemy has stolen. He has stolen the master and the apprenticeship, he has stolen the king and his disciples, he has tried to take it away and turn it into something that only witches use. And they have proclaimed it unashamedly in all of what they say they can do. They have shown it through magic and shown it through spells and displayed it for all to see. And all of it is a perversion of Me.

These have been the strongholds of My people.

Now it's time for My Church. It's time for My Church to take up arms to say this is my King and this is why I love Him. This is how I love Him. This is what I'm willing to give to Him. And I'm willing to

give it all to you. And cause the fathering, and mentorship, and spiritual seed to continue from generation to generation to generation so the blood will not be wasted.

I am looking for wonder-full, willing-to-be-made-fools-of people. I am looking for those who will be My extremists. Extremely bold. Extremely loving. Extremely giving. Extremely revolutionary.

Why? Because the enemy has been vile and wretched and has tried to enlarge his kingdom. He thinks he has won. And because My people have sat idly by as though in a stupor, he has gained some ground. And now he is proclaiming his kingdom is coming.

But it is time for **Kingdom living** to take back the authority, to take back the territory and to enlarge its scope of influence to prove who I am. I am the difference that will be operating through you. I am. And I am breathing upon this timeframe with life again. To cause you to live your life for Me. A life laid down that is a resurrected life to live differently for them.

My people think that they are not good at evangelizing. And that's because it's mostly been given over to the enemy and he is corralling people into his dens of iniquity. He is gathering the momentum to take them away, to ask them to come into blood covenant with him.

I am asking My Church to come back into blood covenant with Me. My blood will never lose its power. And no matter what his tactics are, you have been given the authority to turn things around for your good for those called by My name. But now you'll have to be determined to demonstrate that.

Understand the seed has to die in the ground before it brings forth the harvest. That is what My Son did for you.

The escalation of My Church will have to begin to show the effects that display My Kingdom advancing. My Kingdom has to be seen and realized

as My Kingdom builders release the weight of My presence and My power over all the earth.

This is a time when the cloud of confusion will begin to dissipate as I blow upon it with My breath. That which the enemy has brought in the last few years—confusion and chaos and causing you to lay down instead of rise up—it will turn around gradually. You will have to have divine insight. I'm going to cause to you scatter places, to go in with light and scatter and destroy what the enemy is doing. You will have to see and be aware of what his plans are.

Get ready to be activated in ways you have not imagined. Activation is going to be the key.

Greater things are being released through you if you are willing to release it to those whom I tell you to release it to.

My design for reaching them where they are will become revealed piece by piece as you step out with My heart. Only then will they be able to experience the Kingdom life only I can provide.

I will release My glory to you, but My desire is that you operate in the glory that joins heaven and earth in realms of dominion. It will take prayer. It will take fasting. It will take hunger and it will take passion once again. You can no longer come to church as an obligation. But you must come to church to be the Church. And within the walls of the church you will begin to learn and you will begin to train and train. You will begin to take things to a different level because I am counting on you. Will you let Me count on you? Because I have let you count on Me. I am not going to fail you. I am not going to forget My promises.

I am taking you back to the foundations. And I am taking you way back to the garden where I talked to them and they talked to Me and we knew each other face to face. That is what I am longing for and that is what you are secretly desiring. The enemy has covered over many of your desires with debris and tried to make it look like it's something else

you desire when all along you're seeking more of Me. Every bit of lack will turn into abundance as you sit and gaze into My eyes.

I am directing you with My desires in a clearer pathway. The strategies are going to be released. Satan has a determination and his escalation has shown its effect. It has fractured souls. He's invaded the air, he's invaded their hearts. He's invaded the atmosphere, don't you feel it? He's come up with new ways to entice people into more brokenness. He is multiplying his ways and displaying it and justifying it.

He still comes to kill, to steal and to destroy, and he's come to take away your confidence in Me. He has caused you to focus on the news. He's trying to invade your family. He's trying to invade the places of worship. He is trying to take away the rights of My very people once again.

The world's structure cannot be where your trust lies. It is fractured. Do you feel the shaking of the foundational structures? Do you feel them shaking underneath what he is trying to do?

Education is shaking and only My people who will rise with My wisdom will be able to steady the falling walls of My schools, of My education.

Media is going to be exposed for the webs of deceit that have been conjured up. Even those who were considered as telling the truth, will be exposed and omitted.

The structure of the economy is shifting. That is why you must listen to Me and put your future in My hands. I will guide you every step of the way. You are called to be the ones who give. Keep believing Me for overflow.

Don't be shaken by what you see happening, but instead know that I will steady you and I will bring you forward to be an example and a contributor to help others.

Don't be surprised when governments begin to collapse under the pressure. Those in high

positions of authority will become more evil. Many of them will be exposed for who they really are, but they will be ousted.

Although demons have been unleashed to do satan's biddings, they will begin to proclaim false peace. There will be no real peace. This is when My Church must rise in confidence and in spiritual warfare to confound them, knowing that I have the final say, and I will put My words in your mouth.

Don't relax. Increase your pursuit of peace that comes from Me. You have to know My Word and speak My Word with fierceness from your spirit. It will break his cycles and it will release My abundance.

You'll have to operate together, return together, to powerful decrees that cause the walls to crumble that have been built to keep many out. I am invading and I am invading with you beside Me.

Don't be weary in what you feel you have already done with seemingly little results, because only I know the inside scoop of what those declarations have done, and the timings for My power to be unleashed.

Words spoken with the authority of My Word do not lay dormant, but they can be held in My perfect timing to be released.

The end is not yet, but you will need to live as though it is.

Don't just become aware of My Word, become aware of how to operate with My Word.

The medical community is pulling apart because their heart is no longer to be the help that others need. Many have turned their focus to money-making instead of the oath they made, written so long ago. Trust Me to be your Great Physician. They are looking to different deities to guide them, which leads them down the path of destruction. Instead, turn to Me because I have divine remedies.

This will be a year where My children will have to live risky Kingdom lives. Stepping out in faith as never before as you learn to hear My still, small voice and release it on purpose to individuals. They have been searching and longing for that which has substance. It's your year to die to yourself and live for My purposes.

The outcome will be accomplishing the impossible that will set others free, and realizing the reward you have been waiting for. I will open your eyes to see them. I will open your heart to cry for them and I will open your arms to embrace them. Because I am in love with them, and you will be too.

It's no longer acceptable to be acceptable. You can't win them by becoming them. You have to win them by becoming Mine. Not withholding anything from Me. That's how you'll win them.

You can rely on My Kingdom keys to turn their hearts toward Me. You can rely on My Kingdom to be the fortress of protection that will surround you and also surround them and give them protection as you move forward.

You're going to break free of the trappings that have held you bound. Satan is still trying to minimize what was done at the cross. But My Kingdom will always supersede his. His kingdom will be shown to be displaced as My family rises in Kingdom realities in their everyday lives.

This will be a year of discipleship. Discipleship is returning to the forefront. It's a time to pour out all I have entrusted to you and to cause other people to be confident in growing and multiplying.

You have to stay actively engaged with Me. It's a decision you must make and follow through on if you are going to enjoy and be a part of **Kingdom living**.

You will have to establish relationship on purpose. Get out of your comfort zone and on to greater things.

You will have to be willing to be fastened together with others. But Kingdom principles will ignite your sense of purpose. Your time, your talent and your resources will be utilized. You'll also be able to walk in confidence that you are entirely loved.

You will be distributors of My will, of My will. And you will be filled with joy and excitement for you have been invited to join in to the Kingdom advancement.

Churches will have to begin to understand they can't stand alone. I am drawing them together for the bigger picture. No longer will there be a dependence on a few people that the Holy Spirit comes upon in order to lead. Now there will be a newness of **Kingdom living** in every born-again believer that will lean and depend on Me as My Son did. Taking nothing for granted or moving in His own power or intellect. But staying connected with Me and My instructions. That is the only way He could do what He did for humanity, and it is the only way you will fulfill the call that I have for you that will affect humanity again. Yes, that is how big it is. That is how big it is. The call is great and it is weighty and you have to rely on Me to bring it to pass.

Understand that I give you My laws which supersede natural, man-made laws. Whatever you release to Me, you will find that I Am the Great I Am and I will take care of what you need. I am your future. Your future will be nothing if I am not the Great I Am in your life. You've seen many fall because they've lost contact with Me. You can see the strategy of the enemy taking effect and now it's time for you to arise and say no! No more! We will not lose more! We will not give up more territory! We will take it back!

If I say it from My lips, you can brand it on your heart. If I say it from My lips, you can brand it on your heart.

Access has been granted daily as you run to Me. I have been waiting to receive you. I will be your guidance, your advisor.

When you don't know what to do or when to do it, I will be your lighthouse and I will guide you through every storm.

Don't be afraid to be extreme. You have to be extreme to overcome the enemy. He is radical after souls. You have to be extreme in your worship, extreme in your love, extreme in your security found in My Word. You will find My Word won't return void. Release the truth of it through your life, and I will be evident in your life.

Release religious mindsets. Release religious mindsets. Things are changing. This is not a widespread understood lifestyle yet. But this is the year. It's going to begin to be understood. The government is on My shoulders. I will be responsible for what is released to My Church as the power is released and is needed for every situation.

Stay connected to My Spirit and let Me be in first position.

Those who want to love others to life have to give their life in the presence of My love and get My wisdom.

I have an army. Don't worry, there's an army that has stayed steadfast that will now be the teachers of experience. They will run out of the gate with wide-eyed wonder, ready to run.

There are reversals and turn-arounds waiting on My Church that is arising. Are you the one I can count on? Are you going to be involved in outward actions because of an inward acknowledgement of My truths?

You need to be the classrooms that are needed. You are My classrooms that are needed. The investment that I've placed inside of you will have to come out. Because they're coming. And they're listening and they want guidance and they want power and they want insight.

This will be your abundant life.

Do you feel the atmosphere being charged with faith as I release My truths even now?

Do not feel minimum anymore. You are My maximum weapon of warfare as you step in with Kingdom acknowledgement and understand this:

- Your King is ever present.
- Your King is the utmost power on the earth.
- Your King rules and reigns over every incident, every loss, and every tactic of the enemy.
- Your King is your personal King. So let Me reign.

And I will rain upon your open heart which will take away the doubt of all the Thomas', and the denials of all the Peters.

This is the year of **Kingdom living** that will break loose doubt and break into faith!

#### **Romans 8:14-16 TPT**

14 The mature children of God are those who are moved by the impulses of the Holy Spirit. 15 And you did not receive the "spirit of religious duty," leading you back into the fear of *never being good enough*. But you have received the "Spirit of full acceptance," enfolding you into the family of God. And you will never feel orphaned, for as he rises up within us, our spirits join him in saying the words of tender affection, "Beloved Father!" 16 For the Holy Spirit makes God's fatherhood real to us as he whispers into our innermost being, "You are God's beloved child!"

You will be separate, distinct and obvious. I am forever the ultimate King who is worthy of your affection, your attention, and your active, responsive obedience. Who else is the ultimate supreme ruler of the universe?
