

2024 Prophecy – Pastor Dawn Rene’ McCann

I have already begun

RE-ESTABLISHING a sure foundation.

It is to correct the direction of My Ekklesia for preparing the way for many to be healed and restored.

Everything that can be shaken, as you have seen and heard, is indeed shaking.

My Church, My people and their foundational structure will be RE-ESTABLISHED in this year.

You will understand, as David did:

Psalms 18:30-31 TPT

30 Yahweh, what a perfect God You are!

All Yahweh’s promises have proven true.

What a secure shelter for all those

who turn to hide themselves in You,

the wraparound God.

31 Could there be any other god like Yahweh? For there is not a more secure foundation than You.

It was necessary to expose the tactics of the enemy that have kept My Bride in bondage and in shame, unable to return to their first love.

I’ve been so misrepresented that only true love can break off the lies now. It’s so deep-seated.

I am for you, not against you. That is why I have been exposing the tactics of the enemy. I am breaking off his power, because the corruption in My Church has gone from the major ministries to everyday Christian people who felt they had to yield to the pressure of what was being demanded of them.

They forgot why they were doing what I called them to do.

This is the year that the stripping all the way down to the bone will happen.

Will you be stripped to the point that you care about nothing else except being with Me and realizing what I am capable of doing with you?

Because in the stripping down to the bone, I will be able to **RE-ESTABLISH** the Body to the way I designed you, so that you will become the mighty army that I have pre-ordained for this timeframe of history.

My heart is never to cause destruction but reparation.

The new wine skin will not survive being wrapped around old ways of operation.

I am RE-ESTABLISHING an awakening to WHAT I AM DOING.

I am here to **RE-ESTABLISH** pure hearts to authenticity.

This will be a year of **RE-ESTABLISHING** relationship

Relationship with Me as first love—not by works, but by realizing how things need to change and how you need to step into it.

My love is being released and it will be draw you to a new moment to moment awareness that I am with you.

The way to build and **RE-ESTABLISH** with Me is to allow your faith to grow as you are absorbed in Me while in My presence.

Don't leave. Stay.

This is a year you can settle things that you haven't been able to settle, as you stay through the distraction trying to pull you away from the interaction I have planned for you, and intentionally stay when you feel you aren't receiving anything.

You think you can't feel Me, but I am always near even when your senses are not aware. But I am the God that will come and make My presence known, for My move is moving forward.

I will release vision to you so that you will have the will to move past the discomfort of letting go of what has been so that I can take you into My present future.

- I am **RE-ESTABLISHING** what is acceptable in society.
- I am **RE-ESTABLISHING** governmental systems.
- I am **RE-ESTABLISHING** who is above and who is beneath, so you can walk in the victory I have won.

My love will be the foundation for you to walk on. Through you I will be seen and known as I cause an avalanche of love to pour out to all. Stay believing that I am there because I am. I want to know you, I want you to know Me.

Stay after My fire.

Seek My greatness and see how BIG I will become. I'm bigger than you have imagined. I want you to imagine again how deep My love is and how our relationship will be developed.

In your knowing of who I am and working with Me, you will be able to help deconstruct that which is dead, and **RE-ESTABLISH** with living stones what I desire.

Then you will identify with who you are in Me, then you will be able to walk in what I have planned.

However, our relationship has to be nurtured and developed and not swallowed up in the machine of religion. Works without faith has caused many to develop the wrong mindset of what My intentions always were and are.

If you don't know My love you will let circumstances cause you to doubt My love. You will stop rising.

The enemy will take you into mediocracy if you don't trust beyond what you are able to do on your own, and recognize what I have invested inside of you.

When you awaken to Me, you won't let the world's system drag you back into doubting your worth to Me.

It's time to let My love expand within you through worship.

I am RE-ESTABLISHING worship that comes only to Me.

Not singing songs into the air, but beholding Me until your desire becomes to honor Me with all of your love and all of your life.

I am releasing flames from My heart to be dropped into you, and then worship will be **RE-ESTABLISHED**.

It will be **RE-ESTABLISHED** by the power of My love.

Psalm 16:7-8 TPT

7 The way You counsel me makes me praise You more, for Your whispers in the night give me wisdom, showing me what to do next.

8 Because I set You, Yahweh, always close to me, my confidence will never be weakened, for I experience Your wraparound presence every moment.

Through your worship you will receive insight and be able to move with Me in confidence, knowing you are not alone.

That is when you will worship Me for all I've done—for the price that was paid, worshiping the Father for giving His Son.

When you come with gratefulness and do not stop, and you just thank Him and thank Him, and thank Him and worship Him and thank Him, and honor Him and thank Him and worship Him again.

Then things begin to break open in the spirit realm. Things begin to break off of your heart; the hardness and the coldness melts away.

Then there is an awakening inside of you, an awakening that changes your mindsets and awakens new depth within your soul.

Because your spirit man begins to reign with Me.

Now you are discovering what I am doing, and now you're a part of it. Now there's such hunger that nothing is able to take you away from this heavenly moment.

Now time stands still.

Now in this place, you won't care what is on your list. In this place with Me, you won't care what the demands of the world are for your attention. Because, in that place, your only desire is in front of you, Your Savior.

Your only desire is to know Me more and the power of My love.

The only thing that you want is more of My presence and to know My ways. Then I will guide you and take you farther into the place of My heart. I will share secrets with you.

I am RE-ESTABLISHING the need for My Word to be the final say.

Here My words. I have loved you. Past tense. I do love you. Present tense. I will always love you. Future to eternity.

I am not a man that I should lie. I haven't left, and I never will stop loving. That is who I am.

The more you receive My love, the more you will love others.

My Word that was implanted in you the moment you received Jesus as Lord and Savior is going to ignite and cause many to come into perfected action.

You will know what it is like to sink down into the truth of My Word and find My mercy and My commitment to you and to them.

The enemy's tactics have caused you to withhold love trying to protect your own heart.

Oh, children, you cannot protect your heart. This season I will melt the shield around you, so you will be able to enjoy My connection with others once again.

Trust for stepping into the unknown comes from deeper relationship.

The Spirit will come again in power and get your attention and release your affection.

You must return to Me and to them.

Open your hearts and realize that I love each one equally.

When you review revivals of the past, you will awaken to the knowledge that they all were ignited by hungry people in prayer,

people who knew the Word. It started by people presenting a simple gospel.

The revivalists of the past moved as I moved them, but this move will be Me partnering with everyday Christians.

I am not looking for theologians. I am looking for lovers.

The disciples of the New Testament were continuing to establish the New Testament Church, with New Testament covenant realities from My words and My actions that met people's needs.

That is for now as I am opening hearts and releasing a love of quality content.

No longer just words, but words backed with action that prove My love is real and coming from something beyond you.

I have given My Ekklesia (*My people operating in My government on the earth*) the ability to rise up and keep rising.

I am RE-ESTABLISHING partnership with Me and with others that represent Me well.

Partner with My power, and you will be used to supernaturally restore many as sons and daughters.

This will make it important for those that know Me by My presence and My Word to connect with them on purpose and mentor and train others.

I am moving on individual hearts. I have planned encounters to help them turn or to return to Me.

My presence will release My power that is needed to leave an eternal impact.

Learn and grow and care for them.

This is a time that when I ask you to give, you must give to Me everything, without resentment, without holding things back in reserve, if you desire to be a part of what I am doing.

This is a year of discipleship and mentoring. Not just giving once, but paying the price of time and sacrifice to prove My love is authentic to them.

Then you will find your own joy and peace again, as your life reignites from our relationship.

I am RE-ESTABLISHING prayer.

FOCUS ON THE POWER OF PRAYER AS YOU PARTNER WITH HOLY SPIRIT.

The way the Kingdom works is that I make a way for change and breakthrough and realignment, as My people recognize the Kingdom comes through intercession.

What will I do without intercessors?

“Intercession! Would one not say that this is the very holiest exercise of our boldness as God’s children? It is the highest privilege and enjoyment connected to our communion with God. It is the power of being used by God as instruments for His great work of making men His habitation and showing forth His glory.” - Andrew Murray

Cry out for more. Let your tears flow for others as I need them to. Groan for the move that will set them free.

Let your heart be broken on behalf of others. Stand in the gap and repent, as well as stand up and move into all that I will reveal to you.

There is a need to bow before you are made to bow for those who have lost their voice.

To cry for those that have lost their ability to use their own voice.

For those that can’t find words left to utter, praise Me on their behalf.

Those who will allow their heart room to feel what I feel when I grieve for the sin, will experience the Spirit taking over.

You must allow the power of the Holy Spirit to overshadow you.

Cultivate and RE-ESTABLISH your love relationship with Me and then invite others into it.

Allow them to experience what you have cultivated so they can catch the fire to develop their own.

Who will come to spend time with My heart?

I need hungry, prepared warriors that won’t stop until they find the fire that I have for these generations that are longing for freedom.

I need you to properly represent Me. Bring them My love by receiving My love, as you pray for them, as you become aware that without My love you have nothing to bring to them.

That’s why I am going to bring forth a movement for intercession.

There’s going to be a movement, because I need voices to come together. And they will be united through many formats.

Continue to allow My love to flow bringing about the movement I have pre-orchestrated.

I am RE-ESTABLISHING integrated teams.

You can realize the brokenness of My heart that Nehemiah felt for My people and My Temple to be restored. My answers were to **RE-ESTABLISH** My people, as one. My Temple restoration was inside of Nehemiah as I shared My heart with him.

Realize that My answers to the problems of the Church and all of society are inside of you.

I am focusing on those this year that will identify with Nehemiah's heart and provide in the same way as they arise to build.

Do you understand that Nehemiah didn't just care about the way he could rebuild a wall? He rebuilt the wall in prayer BEFORE he rebuilt the wall. He was cut to the quick when he inquired about the state of My people and My dwelling place.

This caused him to begin to bring the change needed through the prayer of repentance.

The Change that is needed in the earth today will come through teams that work together according to My design.

My Church is broken because they forgot how big I am, and they saw Me little in their sight.

The door was open to the enemy and he came to steal, kill and destroy.

Nehemiah began the movement needed, by communing with Me.

He knew that!

I had the answer.

I had the provision.

I gave him favor.

I supplied for the re-establishment of My dwelling place.

I still do.

I will listen again to those who will cry out with broken hearts for a dwelling place to be **RE-ESTABLISHED** for individuals to walk with My presence known.

- I gave him wisdom as he moved forward to bring restoration to their God.

Again, I have a plan for My people to rebuild broken down walls for My Temple...the broken hearts, the broken spirits and broken relationships.

As My Church, My Temple, is restored through those who will come together as one.

You will receive the strength being released to cause the turn from destruction in order to become a thriving people.

The Church will be **RE-ESTABLISHED** as I direct it, and it will take teams partnering with Me and with each other.

Growing together as My people will involve selflessness as your focus changes to eternal purpose.

However, don't think of it only in terms of the ways it has been done in the past.

In all that you do, come to Me and include the new that I am releasing. Then get ready for the blessing.

Nehemiah was given favor, provision and wisdom to reign in his assignment because he cared. He inquired about what was going on with his brethren and the state of the temple.

There are individual assignments that you will be given, as you are willing to step into the unknown and allow what is hidden inside you to flow to others.

Many of My gifts that I have deposited inside of you have laid dormant from fear, from disappointment, from laziness in the spirit.

But now, in this year, I am putting a demand on My people to search Me and know My ways, and release those restraints to Me.

Run to Me and reach My heart to arise and **RE-ESTABLISH** beyond what has been broken, to wholeness by the Spirit of God moving to straighten things out.

Not by natural understanding but by the Spirit of God moving to straighten things out.

Then things can occur the way they need to.

I have a Remnant remedy.

Remnant - *small surviving group - an untold people still remaining.*

Peripheral things must go, focusing on the remnant pieces to come alive again!

Then go where many are still in the fields waiting to be found.

They feel so forgotten and they don't know anything other than being lost. They don't know anything other than being lost...

Imagine just feeling like that all the time. And so, then I heard them crying.

He will show you all the confusion of all the people that are so in darkness. They're just so in darkness, because there's no light being given.

They need somebody to light the way for them.

I need My people to hear the cries of people because they feel so forgotten.

They are worth the great price.

Rise up again without hesitation, with no thought for yourself, but moved for the benefit of others.

I AM RE-ESTABLISHING COVENANT WITH ISRAEL

I have always had My covenant intact with Israel, My chosen. But know I am going to make it very evident that I AM their God.

I am calling many of My people back to their homeland as they continue to complete prophecy for the end of days.

Pray for many to have encounters with Yeshua.

I have made ONE NEW MAN with Israel and those that respond to My covenant union with My son.

Many around the world will have encounters with Yeshua and it will impact them and their nations.

Nothing is too hard for me. My Church must stand ready to bring reconciliation to many as I make myself available to all who call on my name.

I am calling on many to bring the fire and awake many to My love all over the world.

Will you be willing to re-establish My love reaching out to all?

I am RE-ESTABLISHING extravagant giving so you can experience extravagant multiplication.

Be Spirit Empowered on purpose.

Go after the one no matter the HOW or the WHERE that I direct you.

This is a time of enjoying walking in My Kingdom win by staying more aware of My presence than you are of the trouble.

To grow you have to GO. Go out and go beyond what has been established in the past, into the **RE-ESTABLISHED** model I am releasing in the midst of My Body.

Keep your heart pure for all people groups, not just your favorites.

I will awaken those who are lying dormant and I am sending you to go where they are.

It will be a struggle at first because it will strength your thinking and your dependence on Me. It is, however, the way you will grow, and My Church will grow.

I am RE-ESTABLISHING the Shepherds.

- I am **RE-ESTABLISHING** a humble and contrite spirit.
- I am **RE-ESTABLISHING** priorities.

Repentance will come for many.

Encounters will be established to show the victory I have planned.

Then their grateful hearts will move Me to increase another movement of empowerment to them.

I am **RE-ESTABLISHING** gratitude for the real shepherds. I will send them help.

I am looking for the ones that are already crying out for more and are willing to operate differently.

They must be willing to trust Me at My word and build people in faith and in confidence.

They will want to activate the Church with the power of the Holy Spirit and find new ways of evangelizing.

I am RE-ESTABLISHING Leadership.

I am **RE-ESTABLISHING** leaders through interaction with Heaven.

You will be **MOVED BY LOVE** as I reconnect My Body to My heart. Ministry will grow inside of you when you know why you are here.

Leadership anointing is falling on those that have no agenda but My agenda.

I am RE-ESTABLISHING the Prophetic.

This is a clarion call to **HEAR ME** and **OBEY ME!**

You will hear Me clearly and you must move with Me and the intentions of My heart.

I am still aware of the problems, but I'm counting on your voice to release the words needed to release the generations from captivity.

I am still winning.

Psalms 11:4 TPT

4 Yet Yahweh is never shaken — He is still found in His temple of holiness, reigning as King Yahweh over all.

He closely watches and examines everything man does.

With a glance, His eyes examine every heart, for His heavenly rule will prevail over all.

YOU MUST BELIEVE YOU ARE GOING TO BE BETTER THAN EVER BECAUSE I AM IN LOVE WITH YOU AND HAVE GREAT PLANS FOR YOU.

I am RE-ESTABLISHING Holy Ghost Fire.

Holy Spirit fire will enable you to yield to My desires with a YES to Me and a NO to the enemy.

You will experience the transforming power that I alone can bring forth, if you will be moved towards the cleansing fire.

A baptism of love will begin with a fire that burns with love for the Master.

I have a future for My Church that will impact society and bring many back to the love they have longed for and to return to their purpose.

I am calling to you to discipline yourself.

Don't allow yourself to lose your hunger for greater things. Stay focused on Me.

Greater things are waiting to be accessed by those who understand I released everything they need in them when they come to accept My Son as Savior and LORD.

That interaction that happened at salvation can grow into a moment by moment awareness of My love that is always available to be utilized.

I am sending Holy Spirit to envelop people again with divine influence, so they will come to know Me.

Follow Me, stick to Me, return to that growing hunger that will keep you setting time aside for Me on your calendar above all else.

Tearsa's dream:

She was being robbed by someone very evil and she turned around and laid hands on them and they got slain in the Spirit. She said, "When you get up, you are going to be a different person." Someone standing nearby said, "I have never seen that type of peace and joy." Then Tearsa said, "You can have it too." And then they got slain in the Spirit, too.
