

XPAND 2025 PROPHETIC WORD

This was my experience recently.

I'm sitting out back, and I'm pondering things and wondering what in heaven's name is going on with so much turmoil we have had on so many sides.

Then, a white dove showed up and hovered about 4 feet in front of me at my eyes focus. Just appearing and fluttering before me, back and forth.

I obviously was aware this was not a natural event and this white dove was representing the Holy Spirit allowing me to press in further.

I know this is what He desires for us as His people.

I was aware that this was an event to remember and apply. That what He desires for us is for us to pay attention to him as he shows up and leads us and we follow him. And so, the word of the Lord is this for this year.

So, then a few days later He released our 2025 word to me. I spoke it into my recorder because I knew He was speaking and though it has been XPANDED since those moments in time, here is our word.

It is the year to Expand, or as we will call it, XPAND. I love it.

So, he said, XPAND is not just about an increase in numbers at Liberty, though that is a part of it.

So, I want you to get your faith to increase. Turn your ears on to hear my still small voice.

Turn your heart on to be sensitive to me. Tune your spirit in to hear what the Spirit of the Lord is saying specifically with you.

Because this is the word of how to XPAND.

I'm XPANDING your understanding with revelation in my word and by relationship with the Holy Spirit.

I'm XPANDING your courage.

It takes courage to look in the eyes of the enemy and tell him he is defeated when he's acting like he has just won, that is why I am XPANDING your courage.

I am XPANDING your strength.

I am XPANDING your blessing. It says in Deuteronomy that it's blessing upon blessing.

I'm XPANDING your abilities.

Leaders will come, and leaders will rise as they call upon the gifts and the wisdom that I've made available to them.

Here's how you know who they are:

- They will be the hungry ones.
- They will be the obedient ones.
- They will be the submissive ones.
- They will be teachable.

Teaching and training will be necessary.

That is why the five-fold ministry will come forth, and come to you to leave deposits that will be called upon by Heaven to be released.

Look for your blessing, I want you to, but the key is to look upon Jesus, the Blessed One you will receive His blessing. As you gaze upon him, He is going to bless you with blessing upon blessing!

With the blessing comes XPANDED opportunities. Individual and corporate Blessings and opportunities.

I am making open doorways for you to walk through. Doors that will give you the ability to not only have the finances that you need, but also as you walk through by my directives it will make a way for you to serve my kingdom and bring increase.

You were built to serve the Lord and change this world.

I am XPANDING your finances as you come into agreement with my promises and if you don't let your finances own you. If you're not serving your finances. Don't serve the blessing that I bring.

Serve the king, and the blessings will continue. Keep your eyes fixed on Me and don't let them go from me or my purposes for the blessing.

I'm XPANDING your gifts. Whatever gifts you're already operating in, there is more. They will XPAND and be made known, and you're going to be able to walk in them.

You're going to be able to see the XPANSION personally and the XPANSION of how you will operate. You are going to grow out of your old skin and into your new life that I have already planned for you.

It will be a great opportunity for my body to have maturity. My body cannot stay like children. There can't just be milk. It's the meat of the word. It's the meat of who I am. It's the meat that will bring forth the things that you ask me for. It's the things that you say, you desire. You cannot operate in the large capacity of gifts, if all you understand is milk.

Gifts are given, but they can crush you without your character carrying you. So let your character be felt by being honest.

Lay your heart open and honest before me. Cry out to me and let those that I have placed in your life to help you, let them help you. Just listen, sort it out, then kick it out, then XPAND and receive.

That is how the disciples could lay down their life and not worry about it. It's how whatever hardship that they faced, it meant nothing to them.

It meant nothing to them because loving me and knowing me and knowing the depth of my love was more than enough.

Understanding, the enemy has been looking for the weaknesses, and he's been pounding on the weak spots in your life. That is why you felt so frail, and that's why you've lost some battles.

That is why I'm coming to remove the obstacles along your way. I'm going to go before you to remove it. It is likened to a paddle ball that will hit strategically to remove satan's obstacles. Satan and his demons will stumble on their own agendas. You can laugh at that.

I'm doing that for you, if you will just keep walking forward with me.

There is a weightiness of my glory that's been waiting for you that will encompass your very being.

You haven't yet experienced the full weightiness of my glory, but you can in 2025.

It will take away the dross. It will take away the rottenness. It will dissolve the bitterness, as it makes all things new again.

This is where there's no room for the past, no room for depression, no room for satan's strongholds because you will be fresh and new and ready.

It will happen, not all at one time, but let me be the first, and I will always keep you as first. Your troubles will then melt away as you resign from the world's way of doing things and sign up for the King's way of doing things.

When my disciples realized their priorities, they XPANDED their priorities, and they set their affection completely on me, satan knew he lost.

This is the time when troubles can't trouble you anymore, because you will also have set your affection completely on me and you will be satisfied knowing satan has already lost.

He comes to try to destroy you with his death tactics. But look, I took the keys. And look, now you have them!

My disciples then and my disciples now will rise in confidence to take their authority over death, hell and the grave too.

It's time to rise. That's who I've made you to be, and to operate in such a way that satan's grip slips.

I am cutting off dependency on other things. This is your opportunity for your fresh start.

The things that have distracted you, taken you aside from the immersion that you need, If you give me permission, I will cut those things off and free you to be activated in the many gifts I have waiting for you.

- I will be activating those who will desire and come for the activation.

Oh, yes, you will explode with hunger, explode with thirst, and explode with excitement.

It's like throwing popcorn into the fire. It takes using what is in your hand and releasing it into the fire of the Holy Ghost.

The fire will cause you to rise and to explode with my love. Then there will much joy that will come with the knowledge of knowing what to do as the fire comes again and again to touch other people with it.

He said, I'm XPANDING your anointing. Your awareness that My presence is with you. So much so you will be more aware of me, than you are of yourself.

Then there is a transformation that begins to happen because you're getting immersed of who I am and how I think and what I do and will do with you.

It will be like you're getting dipped in the river, and then when you come up, you're still wet. You will be exuding what you have just been drenched with by being with me. Then what you have received you will become skillful in sharing, and multiplication will happen even more.

- This will bring you the fulfillment that you've been looking for.

Just as I came to destroy the works of the enemy, you will come to know to also have all power over the power of the enemy. You will overcome him in every area of your life.

You need to hold on to that truth and reiterate it, that the enemy has already been defeated and you have been called and anointed to demonstrate that. Live a victorious life.

Grab a hold of this and you will rise and beat him at his own game, and spread the good news.

I am the way. I am the truth. I am the life, and I will be your truth, and I will be your way, and I will be your entire life.

Don't be afraid to be absorbed in Me.

Do not allow that to happen, because I have immeasurable things that I am going to give to you, if you will stay with me.

- I have prayed that you would come to wholeness because I know what you need to bring you to wholeness. And I knew what you could accomplish when you became whole again,
- It is actually what you have always desired. Then we can run together.

There's a capacity in the spirit that is irrational to the natural man.

My love is irrational, but it's also a barrier that keeps you from the torment of the enemy. So stay with my rational.

Understand the atmosphere XPANDS and opens heavens gates when you operate with leaving no openings to retreat. Instead you stay persistent and insist upon your win.

- This is a time of being intentional, to be intentional.
- I will take your borders and I will XPAND them to see the needs of the many.
- I will XPAND the borders of your heart to receive them.
- I will XPAND the borders of your mind to be able to understand and see in my word what I am saying and how to implement the answers.

When my disciples followed me, they didn't know the whole time that they were also following the Holy Spirit. I was guided by the Holy Spirit, so they were following me as He led.

Then when I physically left, I left the Holy Spirit to abide with them so that He would come and guide them as he had been guiding me.

He is still available to lead you. It is a oneness with the Godhead that will bring the difference you desire in your life.

Heaven and Earth will be intersecting, and it will be hard to take them apart now, because I'm XPANDING my body to understand that they have the full ability to operate in my realm.

They live in this earth, but they're not of this earth. You will have to walk that through with your obedience.

- Be proud of me. Be proud of my sacrifice.

Be expressive of what I have done. Be proud of what I've offered to you, and walk displaying your freedom.

Let loose of any pride that you've had in your own strength or your own abilities, and let that fall away as you lift up my name and display my ways.

Worship. It's more than just gathering to praise me. It is necessary to gather together to worship. I love to be in the midst of that.

But the beauty multiplies when each one comes to worship me alone.

There, my presence will be personal for you. More real to you than anything else and you will know my personal love for you as our relationship grown.

Stay to be consumed by me, and my fire will remain within you.

If you can dream it in the natural, then come with me so you can see it in the Spirit. And when you see by the Spirit, you can manifest it into the natural.

Position yourself with me then move out with a driving force as I thrust you forward.

Move out and pierce through dark strongholds of the enemy and make holy pathways possible. Then you will reach them and pierce the hearts of those that were held captive with my love and my truth.

The Holy Spirit will enlighten your true identity and you will be able to operate in the deposits that I have designed you for. This is the time for all of that to be manifested.

This year, this time frame you will see the greatest things occur in your life as you obey, and take risks to reach those I have designated for you to impact.

- Let that be said again of my church.

Globally and locally there will be more gatherings of people longing to see that which is in my heart and they will enter into the spirit realm, Spirit to spirit.

I have allocated things for just this time, and you will get to be a part of it.

Start by allowing me to heal the things of the past. You cannot drag the old into the new. You cannot keep forgiveness, bitterness, or accusations against me.

Let me go. If you continue to accuse me, how can I work with you if you continue to not trust me?

How then will I be able to pour into you what is needed for me to trust you with the more gifts that I have waiting for you?

When you need corrected. I correct you. I corrected Peter, I corrected all of them as they needed, but I also led them, and I love them, and I led them, and I love them, and I told them, and I taught them, and I led them, and I love them. And I love you.

Keep your eyes on the prize of the high calling, the high calling that I have for you. It's not a mediocre calling, it's not a low calling. It's a high calling. It's a very high calling.

Come up here, into heavenly realms, and receive heavenly ideas.

You are not stuck in natural ideas. You can't stay here. Position yourself properly. Come under authority. Judgment has been so deeply instilled, and yes, there has been much sin. But there is much grace.

Don't give into fear. This is a season where Grace will be released to empower my people by the Divine impression on their heart to do, actually put into practice and put into readiness what I've called you to do.

I have called you to be a mirror of me. I will enable you to have grace to go to those that are sinners, to those that are sinning, to those that need to know unconditional love, and those that need to grow in maturity.

My disciples cried out to me to give them boldness to preach the good news.

Where are those people? Where are the ones crying out for boldness to preach the gospel?

That's who I'm looking for. That's what I long for now. Cry out for boldness and enjoy the empowerment.

I will love my people in tangible ways. I love my family XEXPANDING. I love my family XEXPANDING in every way. As you give of what you have been given, more blessing will come to you.

And you'll be able to present me well and call them into my arms and enlarge my family.

You won't be able to do this unless you ask me to give you my love to do it, because it will take my love. But if you ask me, my love will draw them, and they'll be easy just to pull in.

It won't be totally effortless, but it'll be a lot less effort that you have operated in before, because this is my divine timing for soul upon soul upon soul.

So, sign up again for no holds barred to see what it is that I would like to reveal to you that needs to be adjusted in your life.

Sign up and get instruction to know what inside of you is out of order and I will put you back in order.

Let pride go as you refuse to be concerned about what might be exposed. Be happy to rid yourself of what needs to be kicked out and welcome the needed adjustments.

That is how you grow, and growth is needed.

Maturity is coming into this time as a necessity.

Come before me in humility honoring my Father, respecting my sacrifice and see the fields ripe for harvest.

I paid a price for you and for them. Now go.

As you walk in commitment to move by the Holy Spirit, He will manifest as your guide, your teacher, and your friend. You will be XEXPANDED from walking with Him.

He will bring XEXPANSION to your receptivity of what needs to be done.

He will bring you attention towards that which is impossible, and the impossible will be made available.

- Get used to the impossible.

I'm not holding back. Don't believe the lie of the enemy. I have all that you need, and I'm not holding anything back from you. I am for you, and I'm here to thrust you forward.

I am speaking to those that are thinking "I don't have any strength left to do anything."

Don't underestimate the power of the Holy Spirit. Don't give satan that advantage. If you underestimate the power of the Holy Spirit that is IN YOU then you are giving satan the advantage.

Instead, give Holy Spirit permission to orchestrate what is needed and He will order your steps and arranged the impossible so you can join Him to bring about the maximum effect on this earth.

I am XPANDING my body, the body of Christ. The ones that already know me but need to be XPANDED from the inside, out.

- Be ready to grow and go because I have built you to think higher and to do higher things.

The Holy Spirit is has also Pre-arranging things for you, and it will unfold to you, day after day, as you obey.

- I am showing up so the world will see that I am involved with you.

They will have to admit it was me, the one and only God that is bringing forth and forging my plans.

It's happening right now.

I am pouring grace into your heart so you will have a heart to want to go out and find others. You will have a new desire to include others into our life, to pour out the life I have poured into you.

Fill the church by being the church and you will find a new place of joy in your heart. As you move, you will see me move as you've never seen me move before.

It is just obedience that you need to align with so I can bring forth all that is necessary.

I want you to know you need to make sure I am the center focus of your life, your heart, your passion. I should never be an afterthought that you try to fit into your life.

Even when you feel distance from me, I am not distant from you. I am always present. I am always making a way for you. I have not forgotten you in any way. I made a way for you to overcome. We will partner together for the win.

Then it will be a year of extreme grace and favor as you move in my assignments.

- I'm opening up the doors for miracles to occur.
- I'm opening up the doors for people to have encounters.
- I'm opening up the heavenly realm.

Position yourself in a place of continued reverence for me.

Don't deny me your attention and your affection, because I have never denied that to you.

It will be a time of ministry that will require additional prayer time as you come to my feet with humble, submitted hearts.

The things that I see, I will open your eyes to see also, and then I'll pour out upon you what is needed for whatever time it is needed and for however long it is needed to be there.

What I ask you for is to receive and to give. Be a blessing to others because it's going to be a season to XPAND my kingdom.

Those things that you thought about but not followed through with thoroughly, will be given a second chance. And the things that you thought were dormant in your life and in the spirit are going to come alive again.

Heaven is going to mesh with Earth, and victory will be resounding throughout you, my people. You will start hearing it, you will start seeing it, and you will start being a part of it.

- Look for heavenly movement to come into your focus as ancient pathways are being restored.

Read my word and see the people who had no intention of doing the impossible. They became the people that were so acquainted with me and the power of the Spirit that they walked it out so well with me became natural.

Their pathways are still laid for you to also walk on. They made a way.

So, you will also lay down pathways of righteousness, just like I told you that you would. As you do it, you will enjoy XPANSION as you walk in such a way that is so astounding it will draw people's attention and they will be changed in your presence.

- Be enlightened to this truth - People are always the reason to partner with me.

The purpose is always to snatch them from Satan's grip and populate heaven. My Kingdom is going to manifest bigger. My promise is to you that my glory is always bigger than your needs.

The needs are bigger, but my glory is being released, and my glory will be XPANDED so it can be known without an ability to doubt that I am present.

My love will be tangible and my favor will be seen, so that people will rise and become bigger than the enemy's facades.

Satan's false artificial substitutes will fall away when you crush him under your feet in victory as you surrender to me, and honor me, then you can walk through open doors that before were closed.

You're going to be rejoicing as you lead them out of the gates of hell into the gates of glory.

I will go with you to honor you and what your needs are, as you obey me I will work on your behalf.

Did you think you were going to do this on your own?

Did you think, did you think it was possible to muscle through and make things happen on your own?

My power and my grace are going to meet together. Recognize this is not about performance. This is not law, this is an invitation.

This is not about working with your own skill, but the benefits I have made available to you as you learn to sit with me.

No you need me and you need grace and mercy.

The things that have caused you to stumble now you're going to look back and you're going to laugh at it, because you're going to rise above the lesser thing into the realm of higher thinking. And you can have and walk in and be in the mind of Christ, as I said in my word.

- If you will follow through on your promises, I will follow through on mine.

You are the hold up, I am not. I am obligated to provide you what I promised you in My Word. It is still your choice. Choose me, I have already chosen you, and I have all the answers to all your needs.

Now that you are reestablished by my truth. Live according to the truth and stay on the proper foundation.

- Live by my mandates.

Moving out in faith as you trust me to go into the fray, knowing you have my favor and my provision to bring about that which you have seen needs to be done.

As you arise you will face down what the enemy is doing. You know, it's dark out there. I am going to turn on the lights as you become the light and route the enemy.

You've seen so much darkness arise, but in one moment of time, I can turn and will turn it around, as my fierce people put their confidence in my abilities and not theirs.

Faith with works will form the wholeness that is needed as both are needed to form the whole.

I will increase your vision as you obey me.

- I will give you this warning: if you don't obey me, you're going to be visionless and powerless.

Your joy and your passion will be lost and take away your ability to function as I created you to function.

I created you to function as a supernatural child of the Most High God where there are no limitations to what I will do.

Short obedience will bring short responses. But dedicated, sold out obedience will bring forth the biggest blessing you've ever had in your life.

Look for the harvest on your seeds. Current and past.

I am calling you to come up higher, but to come up higher you must serve me with the heart of a servant.

- Your go means something to me.
- You move my heart as we co-labor.
- Your compassion will bring results.
- Your obedience will manifest my presence.

Don't be surprised at the push back of the enemy, but know that my protection is upon you. Satan has no darts that can go through your armor, if your armor is on.

It is by the Spirit my sons and my daughters. You are safe with me.

There are those that will be knocked out if they want to keep playing the game of religion and pretense and insist on their sin, they're going to lose their footing.

You've seen it happen already, and you've seen the mighty fall. You've seen the many inroads the enemy has made because he got my people to focus on the wrong thing. Instead of staying true to the vision and the passion and the path that I had laid for them.

Realize that I am always willing to forgive when I hear authentic repentance. Restoration is always available in a moment of time.

I'm offering the conversations that are necessary to keep you going on the right track.

I am not looking for you to fall. I'm looking for you to win. I'm looking for you to walk in victory. Look to me to get it and receive all that I have.

Now there will be such a closeness I'm offering to you to be fully for the ability to be restored. The closeness that I'm offering is authentic relationship.

Don't look at other people and compare. Comparison will kill you.

I've called you. You're not an afterthought. I died for you, and I called you to do what I've called you to do. There's a corporate calling, yes, a call of Body of Christ together. I'm calling them together, even on a bigger scale.

Be willing to work together, because all the gifts that are scattered everywhere are going to come because they're necessary to bring about the desires of my heart, to reach the multitudes.

I am XPANDING my body to be all inclusive everywhere together.

The gifts inside of each one will have to be exacerbated. They will have to grow and release and ignite and XPAND.

Don't be satisfied with yesterday's anointing. It's fresh and it's new every day.

Look at my Word and come with me, and you won't feel alone again.

You'll never be alone if you wait until you have my heart, until you know my presence that you go in the fullness of who I am. The understanding of what I've written, the confidence.

My foundation is set. Arise and build my kingdom.

- XPAND your reach.
- XPAND your heart to hold them all.
- XPAND your love.
- XPAND your mind.
- XPAND your faith that my word is the final say.
- XPAND your worship.
- XPANDING your space to where I abide.

Then I will come with guidance, and freedom and tools that will be used to give you the ability to build in the natural and in the spiritual.

Let your prayers be deep intercession. Then take hold of my hand and let me lead you to them.

Let your heart hold those you see become a realization.

Let me invest in you what you need to give to them.

Let me tell you how you're supposed to act.

Let me show them my love, my kindness through you.

Let me show you how to be impassioned for what is needed.

Doors are opening in the heavenly realm as I release angels to meet you and help you.

Because they're around and on assignment.

- I've given my body a reprieve.

I'm releasing you into your promise land.

Then society will be impacted.

I'm going to cause governments to be impacted and change will be drastic.

I will cause nations to be changed.

I will move some out, some in.

The change will come from changed people who have changed hearts.

Cities will work together, and churches will work together, and denominations will work together. And though it will have its challenges, it will come with great rewards.

There are so many doors.

Doors for you to knock on.

Doors you will go through.

Some doors that will be shut in your face.

That is ok, move forward and trust me, and count it all joy as I count it all joy because I am the one ordering your steps to leave unexpected impact.

As my people regroup and reestablish your life as we walk on my foundations.

I'm giving you relief for deliverance from the enemy, and the release will bring growth and XPANSION.

Come to me and ask me how you will re-establish your life. That is what we will do together.

This is the year for the blessings, and this is the year to XPAND, and the blessings will now become a way of living.
